

School Accountability Report Card Reported for School Year 2009-10 Published During 2010-11

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2009-10)

This section provides information about the school, its programs and its goals.

Principal's Message

Jackson Street Elementary School serves students in fifth through eighth grades. Because of our large enrollment, we are able to offer a strong music program that includes band and choir at each grade level, two computer labs with Internet access, a media center, a gymnasium, a multipurpose room, intramural and inter-scholastic competitive sports, and a strong physical education program.

The Yreka Union Elementary School District provides a strong academic program that is articulated across all grade levels. Our Curriculum Committee meets regularly to review programs to ensure that we are aligned to the California State Standards. We also provide services to meet the needs of our Special Education population, English Language Learners (ELL), and Gifted and Talented Education (GATE) students. As a four-time recipient of the California Distinguished School Award and a Title I Academic Achievement Award, we are proud of the accomplishments of our Jackson Street School students, and will continue to provide a curriculum that produces articulate, confident, and skilled individuals.

In January of 2007, we began our Siskiyou After School for Everyone (SAFE) program, which provides after-school support for over 100 students daily. There is a required homework completion time, snack, and recreation. Specialty activities include a math club w/instruction, cooking, a large Wii computer gaming center as a reward, sewing, jazz band, guitar lessons, and organized games. The program operates from the time school ends until 6:00 PM every school day.

Opportunities for Parental Involvement (School Year 2009-10)

This section provides information about opportunities for parents to become involved with school activities.

The majority of our parent involvement comes through the School Site Council (SSC). Each year, we solicit volunteers to sit on the SSC. Parents can join as voting members or simply come and be an active voice. Currently, our SSC works closely with the administration and teachers in providing funds to supplement the federal and State budgets with the Quality of Life program, sponsored by Raley's grocery chain, as well as Smart Shop, and Ray's Market.

Parents are encouraged to volunteer in the individual classrooms and on field trips. Parents help with specific activities throughout the year. For example, our seventh and eighth grade parents chaperone our night dances and our seventh grade parents coordinate our graduation dance.

For more information on how to become involved, contact the Principal, at (530) 842-3561.

Student Enrollment by Grade Level (School Year 2009-10)

III. School Climate

School Safety Plan (School Year 2009-10)

This section provides information about the school's comprehensive safety plan.

The Jackson Street School Safety Plan was reviewed and updated by the SSC in September 2009. The plan is reviewed yearly at the first SSC meeting. The current plan addresses the following issues:

- Current status of school crime
- Disaster procedures
- Suspension and expulsion policies
- Teacher notification of student behavior
- Sexual harassment
- Board policy dress code
- Safe ingress and egress
- Safe and orderly school environment
- Site rules and procedures

Suspensions and Expulsions

This table displays the rate of suspensions and expulsions (the total number of incidents divided by the total enrollment) at the school and district levels for the most recent three-year period.

Rate	School			District		
	2007-08	2008-09	2009-10	2007-08	2008-09	2009-10
Suspensions	10.1	31.9	20.0	6.6	16.1	8.8
Expulsions	0.0	2.0	0.0	0.0	0.9	0.0

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2010-11)

This section provides information about the condition of the school's grounds, buildings, and restrooms based on the most recent data available, and a description of any planned or recently completed facility improvements.

Jackson Street School, formerly known as Yreka Elementary School, was originally built in 1949. In 1955, a multipurpose room and fourth wing were added. In 1961, the fifth wing and a music room were built. Our gymnasium—with a capacity of 1,386—was built in 1991. The campus is situated on approximately 11 acres, with grass fields and a large blacktop area for recreation. We have a track, ten basketball hoops, tetherball poles, and slides and bars for use.

Our media center is connected to two state-of-the-art computer labs. The library and labs have a total of 67 computers, with Internet access for student use. Our library has approximately 20,000 books, with access to over 33,000 in our system. We actively use the Reading Counts program as an incentive to encourage students to read.

Jackson Street School is well maintained for its age. We have a dedicated custodial/maintenance staff that keeps our site clean and orderly. Any items that need repair are listed on the custodial forms and are done in a timely manner. We have four full-time custodians—two work during the day, and two work at night. Our site has several flower garden areas, maintained by our student government and individual classes.

Yreka Union School District has a five-year Deferred Maintenance Plan to ensure that our campus continues to be in good working order. Recent additions include replacing a heating/cooling system in the music room as well as in a science room. Overall, we strive to provide a positive learning environment for our students.

We are constantly looking for ways to improve our site and are committed to meet the challenging needs of our diverse population. All school sites have undergone modernization within the last three to 20 years. The buildings and restrooms are in good condition, cleaned daily, and adequate for the number of students served. The District participates in the State Deferred Maintenance program and has scheduled maintenance planned to ensure good repair of all facilities and grounds. School safety is a top priority at the District level, as well as at the site. Jackson Street School provides direct supervision from 7:45 A.M. until students leave at 3:00 P.M. Our day begins with all students who arrive before 8:15 A.M., congregating either in the multipurpose room or on the playground. These areas are staffed with adult supervisors. During recess, the individual classroom teacher monitors the students. No less than four adult aides supervise lunch/recess. The site administrator is also available on most days. At the end of the day, students walk home, are picked up by their parents, or ride one of our four school busses. We provide an adult supervisor at the bus area. Most days, an administrator is in front of the school and at the bus loading area.

Visitors on campus are required to stop at the office to register and receive identification badges. Proof of identification is requested if they are unknown to the office personnel. Visitors are also required to provide the reason for their visit. The entire staff is aware and on alert for anyone on campus without an identification badge.

Jackson Street School staff members are also required to do duck-and-cover drills on a regular basis. Fire drills are held monthly. The District also has a Safety Committee that meets regularly, and each school site is required to perform monthly safety inspections.

All students are required to take part in the yearly bus evacuation drill. Each teacher is provided with an Emergency Guide that covers building evacuation, earthquake procedures, containment procedures, campus evacuation, and emergency numbers.

During the summer of 2007 fiber optic cabling was installed between the Siskiyou County Office of Education, Evergreen School, and Jackson Street School. During the summer of 2007, evaporative water coolers were added to wings 1, 2, and 3 to provide cooling during summer months, and two portable classrooms were re-carpeted. During the summer of 2008, the asphalt playground area was resurfaced. During 2009, major re-roofing was completed on several buildings at Jackson Street School.

The District participates in the State School Deferred Maintenance Program, which provides State-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

For the 2009-10 school year, the District budgeted \$14,805 for the Deferred Maintenance Program. This represents 0.0018% of the District's general fund budget.

The exterior of the school was painted during the summer of 2010-2011.

School Facility Good Repair Status (School Year 2010-11)

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status.

V. Teachers

Teacher Credentials

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence. Detailed information about teacher qualifications can be found on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/>.

Teachers	School			District

Without Full Credential	0	0	0	0
Teaching Outside Subject Area of Competence	0	0	0	---

Teacher Misassignments and Vacant Teacher Positions

This table displays the number of teacher misassignments (teachers assigned without proper legal authorization) and the number of vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester). *Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.*

Indicator	2008-09	2009-10	2010-11
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

Core Academic Classes Taught by No Child Left Behind Compliant Teachers (School Year 2009-10)

This table displays the percent of classes in core academic subjects taught by No Child Left Behind (NCLB) compliant and non-NCLB compliant teachers in the school, in all schools in the district, in high-poverty schools in the district, and in low-poverty schools in the district. High poverty schools are defined as those schools with student participation of approximately 75 percent or more in the free and reduced price meals program. Low poverty schools are those with student participation of approximately 25 percent or less in the free and reduced price meals program. More information on teacher qualifications required under NCLB can be found on the CDE Improving Teacher and Principal Quality Web page at <http://www.cde.ca.gov/nclb/sr/tq/>.

Location of Classes	Percent of Classes In Core Academic Subjects Taught by	
	NCLB Compliant Teachers	Non-NCLB Compliant Teachers

All Schools in District	100	0
High-Poverty Schools in District	0	0
Low-Poverty Schools in District	0	0

VI. Support Staff

Academic Counselors and Other Support Staff (School Year 2009-10)

This table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	0	
Counselor (Social/Behavioral or Career Development)	0	---
Library Media Teacher (Librarian)	0	---
Library Media Services Staff (paraprofessional)	.5	---
Psychologist	.3	---
Social Worker	0	---
Nurse	.3	---
Speech/Language/Hearing Specialist	.3	---
Resource Specialist (non-teaching)	0	---
Other	0	---

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2010-11)

This table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school; whether the textbooks and instructional materials are from the most recent adoption (yes/no); and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Core subject area committees of teachers and administrators meet to review textbooks and instructional materials for adoption. Those committees make recommendations to the District Curriculum Committee. The District Curriculum Committee then makes a recommendation to the local governing board. Classroom teachers are the majority of members on the District Curriculum Committee. Adoptions are consistent with the content and cycles of the State Curriculum Frameworks. Current, Standards-based textbooks and instructional materials are purchased and assigned to all students.

The District has affirmed that each pupil, including English Learners, have their own textbook to use in class.

Core Curriculum Area	Quality, Currency, and Availability of Textbooks and Instructional Materials	Percent of Pupils Who Lack Their Own Assigned Textbooks and Instructional Materials	Most Recent SBE or Local Governing Agency Approved Textbooks and Instructional Materials

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2008-09)

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found on the CDE Current Expense of Education & Per-pupil Spending Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental)	Expenditures Per Pupil (Basic)	Average Teacher Salary
School Site	\$7,276	\$4,802	\$2,474	\$52,838
District	---	---		\$52,662
Percent Difference: School Site and District	---	---		
State	---	---	\$5,681	\$57,352
Percent Difference: School Site and State	---	---		

Types of Services Funded (Fiscal Year 2009-10)

This section provides information about the programs and supplemental services that are provided at the school through either categorical funds or other sources.

These programs and services are provided at the school either through categorical funds or other sources that support and assist students:

- Title I (grades K-8)
- Gifted and Talented Education (grades 4-8)
- Title VII – Indian Education Funding

Teacher and Administrative Salaries (Fiscal Year 2008-09)

This table displays district salaries for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size based on the salary schedule. Detailed information regarding salaries may be found on the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$36,976	\$38,905
Mid-Range Teacher Salary	\$52,138	\$56,504
Highest Teacher Salary	\$61,360	\$71,750
Average Principal Salary (Elementary)	\$81,838	\$92,053
Average Principal Salary (Middle)	\$81,838	\$95,666
Average Principal Salary (High)	N/A	\$94,401
Superintendent Salary	\$117,103	\$111,055
Percent of Budget for Teacher Salaries	37.6	37.9
Percent of Budget for Administrative Salaries	4.8	6.8

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA). The CSTs show how well students are doing in relation to the state content standards. The CSTs include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and ten through eleven. The CAPA includes ELA, mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations. The CMA includes ELA for grades three through eight and science in grades five and eight and is an alternate assessment that is based on modified achievement standards. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations. Student scores are reported as performance levels. Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2009 STAR Program Summary Results to the Public guide at <http://www.cde.ca.gov/ta/tg/sr/documents/pkt5intrpts09.pdf>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Standardized Testing and Reporting Results for All Students – Three-Year Comparison

This table displays the percent of students achieving at the Proficient or Advanced level (meeting or exceeding the state standards).

California Physical Fitness Test Results (School Year 2009-10)

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>. *Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

5	32.3	26	10.4
7	15.3	40	24.7

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. Detailed information about the API can be found at the CDE Academic Performance Index (API) Web page at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools API ranks. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Rank	2007	2008	2009
Statewide	7	6	6
Similar Schools	4	3	2

Academic Performance Index Growth by Student Group – Three-Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. *Note: "N/A" means that the student group is not numerically significant.*

Group	Actual API Change		
	2007-08	2008-09	2009-10
All Students at the School	14	5	26
Black or African American

Students with Disabilities			

Academic Performance Index Growth by Student Group – 2010 Growth API Comparison

This table displays, by student group, the Growth API at the school, LEA, and state level.

Group	2010 Growth API		
	School	LEA	State
All Students at the School	798	796	767
Black or African American			686
American Indian or Alaska Native			728
Asian			890

Students with Disabilities			580

Adequate Yearly Progress

The federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2009-10)

This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.

AYP Criteria	School	District
Overall	No	No
Participation Rate: English-Language Arts	Yes	Yes
Participation Rate: Mathematics	Yes	Yes
Percent Proficient: English-Language Arts	No	No
Percent Proficient: Mathematics	Yes	No
API	Yes	Yes
Graduation Rate	N/A	N/A

Federal Intervention Program (School Year 2010-11)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. Detailed information about PI identification can be found at the CDE Adequate Yearly Progress (AYP) Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

First and second year teachers go through the Beginning Teacher Support and Assistance program (BTSA) to support them in the early years of their career. Teachers attend staff trainings and workshops that are relevant to their work assignments. The District has seven collaboration days scheduled during the school year. These are minimum days that allow time for staff collaboration and training.

Several days throughout the year are dedicated to staff and professional development. During the 2008-09 school year seven minimum days were held. The primary focus of those days was utilizing grade level teams to work on improving instructional practices. Staff has been introduced to the idea of Professional Learning Communities where they use a structure to work in their grade level teams to improve assessment and instructional practices.

Our focus has also been on improving our teaching of writing. During the 2009-10 school year we will be focusing on how to implement Positive Behavior Support in our schools. We will also continue to work on improving writing instruction.

For the previous three school years, we had three days each year dedicated to staff and professional development.

During the 2010-2011 all teachers teaching language arts participated in Instructional Materials training related to the new language arts adoption. Teachers and the administrator also attended the Aligning Curriculum and the Pyramid Response to Intervention series through the Siskiyou County Office of Education.
