## YREKA UNION SCHOOL DISTRICT

309 Jackson Street School – YREKA, CA 96097  
530/842-1168 FAX 530/842-4576

Dear Parents,

Your child, \_\_\_\_\_, is wishing to try-out for a Rams sports team.

While at away games, meets, or tournaments, school rules will be in effect at all times, and team members are expected to behave accordingly. They will be representing our school and our community. For some of our away games, meets, or tournaments, team members will be missing part of school. It will be **EACH TEAM MEMBER'S RESPONSIBILITY** to check with teachers and make-up all work missed.

Students involved in extra-curricular and co-curricular activities will have to meet the following **scholarship requirements**. Students must have a minimum overall 2.0 grade point average (G.P.A.) from the previous grading period to be eligible to try out. Players and managers must maintain that G.P.A. during the season. A weekly grade check will be done, players that have more than one "F" or fall below a 2.0 G.P.A. will be placed on academic probation, and they will not be allowed to participate in any home or away games, including weekend tournaments, for one week. If this happens more than once, the student will be removed from the team.

The following is the policy regarding the behavior of inter-scholastic athletes. Students who are suspended from school are **not** allowed to participate in any school activity for the duration of the suspension. **Use, possession, or sale of drugs, alcohol, or tobacco will result in the dismissal from the team for the remainder of the season.**

If a student athlete is involved in any other serious behavior problem (i.e., charged with a violation of the law while under the school's jurisdictional authority), a sport-related behavior problem, or repeated discipline problems at school, he/she may also be dismissed from the team. A committee of the Principal, Athletic Director, and Coach, will make a determination in any of the above situations.

In order to participate in athletic contests, the student athlete must be present in school on game days. Student athletes, including cheerleaders, missing more than one (1) period of school on game days (except for medical or dental appointments, funerals, student activities, or unforeseen emergencies) will not be allowed to participate. On game days, student athletes must also participate in their regular school Physical Education classes.

Team members will also need to have a medical examination form filled out and on file with the school before competing in any interscholastic event. Also, if any student athlete receives a physical injury that necessitates professional medical attention, that athlete **must** receive a clearance from a physician before returning to practice and before participating in athletic competition.

.....

I understand the above policies and procedures for our interscholastic sports programs.
