In addition, employees shall promptly report to the principal or supervisor, and may report to law enforcement, any attack, assault, or threat made against them on school grounds by any other individual.

(cf. 3515.2 - Disruptions)

Reports of attack, assault, or threat shall be forwarded immediately to the Superintendent or designee.

(cf. 3320 - Claims and Actions Against the District)

(cf. 3515.4 - Recovery for Property Loss or Damage)

(cf. 3530 - Risk Management/Insurance)

Notice Regarding Student Offenses Committed While Under School Jurisdiction

The Superintendent or designee shall inform the teacher(s) of each student who has engaged in, or is reasonably suspected of, any act during the previous three school years which could constitute grounds for suspension or expulsion under Education Code 48900, with the exception of the possession or use of tobacco products, or Education Code 48900.2, 48900.3, 48900.4, or 48900.7. This information shall be based upon district records maintained in the ordinary course of business or records received from a law enforcement agency. (Education Code 49079)

(cf. 5125 - Student Records)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Upon receiving a transfer student's record regarding acts committed by the student that resulted in his/her suspension or expulsion, the Superintendent or designee shall inform the student's teacher(s) that the student was suspended or expelled from his/her former district and of the act that resulted in the suspension or expulsion. (Education Code 48201)

EMPLOYEE SECURITY (continued)

Information received by teacher(s) shall be received in confidence for the limited purpose for which it was provided and shall not be further disseminated by the teacher. (Education Code 49079)

Notice Regarding Student Offenses Committed While Outside School Jurisdiction

When a minor student has been found by a court of competent jurisdiction to have illegally used, sold, or possessed a controlled substance or committed specified crimes involving serious acts of violence, the district police or security department may provide written notification to the Superintendent. (Welfare and Institutions Code 828.1)

(cf. 3515.3 - District Police/Security Department)

When informed by the court that a minor student has been found by a court to have committed any felony or any misdemeanor involving curfew, gambling, alcohol, drugs, tobacco products, carrying of weapons, a sex offense listed in Penal Code 290, assault or battery, larceny, vandalism, or graffiti, the Superintendent or designee shall so inform the school principal. (Welfare and Institutions Code 827)

The principal shall disseminate this information to any counselor who directly supervises or reports on the student's behavior or progress. The principal also may inform any teacher or administrator he/she thinks may need the information so as to work with the student appropriately, avoid being needlessly vulnerable, or protect others from vulnerability. (Welfare and Institutions Code 827)

Any court-initiated information that a teacher, counselor, or administrator receives shall be kept confidential and used only to rehabilitate the student and protect other students and staff. The information shall be further disseminated only when communication with the student, parent/guardian, law enforcement staff, and probation officer is necessary to rehabilitate the student or to protect students and staff. (Welfare and Institutions Code 827)

When a student is removed from school as a result of his/her offense, the Superintendent shall hold the court's information in a separate confidential file until the student is returned to the district. If the student is returned to a different district, the Superintendent shall transmit the information provided by the student's parole or probation officer to the superintendent of the new district of attendance. (Welfare and Institutions Code 827)

Any confidential file of court-initiated information shall be kept until the student becomes 18, graduates from high school, or is released from juvenile court jurisdiction, whichever occurs first, and shall then be destroyed. (Welfare and Institutions Code 827)

EMPLOYEE SECURITY (continued)

Procedures to Maintain Confidentiality of Student Offenses

In order to maintain confidentiality when providing information about student offenses to counselors and teachers of classes/programs to which a student is assigned, the principal or designee shall send the staff member a written notification that one of his/her students has committed an offense that requires his/her review of a student's file in the school office. This notice shall not name or otherwise identify the student. The staff member shall be asked to initial the notification and return it to the principal or designee.

The staff member shall also initial the student's file when reviewing it in the school office. Once the district has made a good faith effort to comply with the notification requirement of Education Code 49079 and Welfare and Institutions Code 827, an employee's failure to review the file constitutes district compliance with the requirement to provide notice to the teacher.

Use of Pepper Spray

Employees who possess pepper spray on school property shall be notified of the following conditions:

1. The pepper spray shall be used only in self-defense.
2. An employee who uses pepper spray other than in self-defense shall be subject to disciplinary action by the district and, in accordance with law, a fine and/or imprisonment.

(cf. 4118 - Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

3. Employees shall ensure that the pepper spray is stored in a secure place and not accessible to students or other individuals. An employee who is negligent in the storage of pepper spray may be subject to disciplinary action.

Failure to Return to Service After Leave

In the case of a certificated employee who was on leave of absence for 20 or more consecutive working days after April 30 of the previous school year, the district may terminate the employment of such an employee if all of the following circumstances exist: (Education Code 44842)

1. The employee fails to report for duty, without good cause, at the beginning of the school year after having notified the Governing Board of his/her intention to remain in service with the district in accordance with Education Code 44842.
2. The district had specifically notified the employee, at least five days in advance, of the time and place at which the employee was to report to work.
3. The employee did not request or was not granted a leave of absence authorized by the Board.

(cf. 4112.1 - Contracts)

In any such case, the district may terminate the employee's employment on the day following 20 consecutive days of absence. (Education Code 44842)

(cf. 4117.4 - Dismissal)

PROFESSIONAL LEAVES

The Governing Board may grant a leave of absence of up to one year to certificated employees for the purpose of permitting study or travel which will benefit the schools and students of the district. (Education Code 44966)

(cf. 4161/4261/4361 - Leaves)

To be eligible for a leave of absence for these purposes, the employee must have served in the district for at least seven consecutive years preceding the leave. No more than one such leave of absence shall be granted in each seven-year period. No other types of leaves shall be considered a break in service for purposes of meeting this requirement and the period of such absence shall not be included as service in computing the seven consecutive years of service required for a professional leave. (Education Code 44967)

The Board may require that such leaves of absence be taken in separate six-month periods or separate quarters as long as the total leave is completed within three years. Any period of service by the employee between the separate periods of leave shall comprise a part of the service required for a subsequent leave of absence. (Education Code 44966)

Every employee granted a leave of absence for these purposes may be required to perform such services during the leave as the Board and employee agree upon in writing. (Education Code 44968)

Compensation during the leave shall be paid in the manner authorized by Education Code 44969 and 44970.

Unless the employee agrees in writing with the Board not to receive compensation during the leave, the employee shall receive such compensation during the leave as the Board and employee agree upon in writing, which shall be not less than the difference between the employee's salary and the salary of a substitute employee. In lieu of such a difference, the Board may pay one-half of the salary of the employee or any additional amount up to and including the full salary of the employee. (Education Code 44968, 44968.5)

As a condition to being granted such leave, the employee shall agree in writing to render service in the district following his/her return for a period equal to twice the period of the leave. (Education Code 44969)

At the end of the leave, the employee shall be reinstated in the position he/she held when the leave was granted. (Education Code 44973)

An employee who is hospitalized for, or convalescing from, an illness or injury incurred in or aggravated during the performance of military service shall report for duty or submit an application for reinstatement at the end of the period that is necessary to recover from such illness or injury, but no more than two years after the completion of military service unless circumstances beyond the employee's control make reporting within the two-year period impossible or unreasonable. (38 USC 4312; 20 CFR 1002.116)

(cf. 4032 - Reasonable Accommodation)

Upon receiving an application for reinstatement, the Superintendent or designee shall reinstate the employee as soon as practicable under the circumstances of his/her case, but within a time period not to exceed two weeks, absent unusual circumstances. (20 CFR 1002.181)

If the employee's previous position has been abolished, he/she shall be reinstated in a position of like seniority, status, and pay, if such position exists, or to a comparable vacant position for which he/she is qualified. (Military and Veterans Code 395, 395.1; 38 USC 4313; 20 CFR 1002.192)

An employee failing to apply for reinstatement within the appropriate period does not automatically forfeit his/her rights, but shall be subject to the Board's rules governing unexcused absences. (38 USC 4312)

MILITARY LEAVE (continued)

The Superintendent or designee may elect not to reinstate an employee following military leave if any of the following conditions exists:

1. The district's circumstances have so changed as to make such re-employment impossible or unreasonable, such as a reduction in force that would have included the employee. (38 USC 4312; 20 CFR 1002.139)
2. The accommodation, training, or effort described in 38 USC 4313(a)(3), (a)(4), or (b)(2)(B) would impose an undue hardship on the district as defined in 20 CFR 1002.5 or 1002.198. (38 USC 4312; 20 CFR 1002.139)
3. The employee's position was for a brief, nonrecurrent period and there was no reasonable expectation that such employment will continue indefinitely or for a significant period. (38 USC 4312; 20 CFR 1002.139)
4. The employee's cumulative length of absence and length of all previous military leave while employed with the district exceeds five years, excluding those training and service obligations specified in 38 USC 4312(c). (38 USC 4312; 20 CFR 1002.99-1002.103)
5. The employee was separated from military service with a disqualifying discharge or under other than honorable conditions. (Military and Veterans Code 395.1; 20 USC 4304, 4312; 20 CFR 1002.134-1002.138)

Spouse means a partner in marriage as defined in Family Code 300 or 1 USC 7. In addition, for purposes of rights under the California Family Rights Act (CFRA), a registered domestic partner shall have the same rights, protections, and benefits as a spouse and protections provided to a spouse's child shall also apply to a child of a registered domestic partner. (1 USC 7; 29 CFR 825.122; Family Code 297.5, 300; 2 CCR 7297.0)

Eligibility

The district shall grant family care and medical leave to eligible employees for the following reasons: (29 USC 2612; 29 CFR 825.112; Family Code 297.5; Government Code 12945.2)

1. Because of the birth of a child of the employee or placement of a child with the employee in connection with the employee's adoption or foster care of the child
2. To care for the employee's child, parent, or spouse with a serious health condition
3. Because of the employee's own serious health condition that makes him/her unable to perform one or more essential functions of his/her position, except that CFRA leave shall not cover an employee's disability on account of pregnancy, childbirth, or related medical conditions
4. Because of any qualifying exigency arising out of the fact that the employee's spouse, child, or parent is a covered military member on covered active duty (or has been notified of an impending call or order to covered active duty)
5. To care for a covered servicemember with a serious injury or illness if the employee is the spouse, child, parent, or next of kin, as defined, of the servicemember

In addition to FMLA leave for disability on account of a pregnancy, childbirth, or related medical conditions pursuant to item #3 above, a female employee disabled by pregnancy, childbirth, or related medical conditions may be entitled to take leave for a reasonable period of time, not to exceed four months. (Government Code 12945)

FAMILY CARE AND MEDICAL LEAVE (continued)

Terms of Leave

An eligible employee shall be entitled to a total of 12 work weeks of family care and medical leave during any 12-month period, except in the case of leave to care for a covered servicemember as provided under "Military Caregiver Leave" below. (29 USC 2612; Government Code 12945.2)

This 12-month period shall coincide with the fiscal year. (29 CFR 825.200)

Leave taken pursuant to the CFRA shall run concurrently with leave taken pursuant to the FMLA, except in the following circumstances:

1. Leave taken to care for a registered domestic partner or a child of a domestic partner. Such leave shall count as leave under the CFRA only. (Family Code 297.5)
2. Leave taken for disability on account of pregnancy, childbirth, or related medical conditions. FMLA leave taken for these purposes shall run concurrently with the California pregnancy disability leave granted pursuant to Government Code 12945. CFRA leave related to the birth of a child shall not commence until the expiration of the pregnancy disability leave. (Government Code 12945, 12945.2; 2 CCR 7297.6)

(cf. 4161.1/4361.1 - Personal Illness/Injury Leave)

(cf. 4261.1 - Personal Illness/Injury Leave)

Leave taken for the birth or placement of a child must be concluded within the 12-month period beginning on the date of the birth or placement of the child. Such leave does not need to be taken in one continuous period of time. The basic minimum duration of the leave for birth or placement of a child shall be two weeks. However, the district shall grant a request for leave of less than two weeks' duration on any two occasions. (29 USC 2612; 2 CCR 7297.3)

If both parents of a child work for the district, their family care and medical leave related to the birth or placement of the child shall be limited to a combined total of 12 weeks. This restriction shall apply whether or not the parents are married, not married, or registered domestic partners. (29 USC 2612; Government Code 12945.2)

FAMILY CARE AND MEDICAL LEAVE (continued)

Use/Substitution of Paid Leave

Except for pregnancy disability leave, during the period of family care and medical leave, the district shall require the employee to use his/her accrued vacation leave, other accrued time off, and any other paid or unpaid time off negotiated with the district. If the leave is because of the employee's own serious health condition, the employee shall use accrued sick leave pursuant to the collective bargaining agreement and/or Board policy. (29 USC 2612; Government Code 12945.2)

Intermittent Leave/Reduced Leave Schedule

Leave related to the serious health condition of the employee or his/her child, parent, or spouse may be taken intermittently or on a reduced leave schedule when medically necessary, as determined by the health care provider of the person with the serious health condition. However, the district may limit leave increments to the shortest period of time that the district's payroll system uses to account for absences or use of leave. (29 USC 2612; 2 CCR 7297.3)

If an employee needs intermittent leave or leave on a reduced work schedule that is foreseeable based on planned medical treatment for the employee or a family member, the district may require the employee to transfer temporarily to an available alternative position. This alternative position must have equivalent pay and benefits, the employee must be qualified for the position, and the position must better accommodate recurring periods of leave than the employee's regular job. Transfer to an alternative position may include altering an existing job to better accommodate the employee's need for intermittent leave or a reduced leave schedule. (29 USC 2612; 2 CCR 7297.3)

(cf. 4113.4/4213.4/4313.4 - Temporary Modified/Light-Duty Assignment)

Request for Leave

An employee shall provide at least verbal notice sufficient to make the district aware that he/she needs family care and medical leave and the anticipated timing and duration of the leave. The employee need not expressly assert or mention FMLA/CFRA to satisfy this requirement; however, he/she must state the reason the leave is needed (e.g., birth of child, medical treatment). If more information is necessary to determine whether the employee is eligible for family care and medical leave, the Superintendent or designee shall inquire further and obtain the necessary details of the leave to be taken. (2 CCR 7297.4)

Based on the information provided by the employee, the Superintendent or designee shall designate the leave, paid or unpaid, as FMLA/CFRA qualifying leave and shall give notice of such designation to the employee. (2 CCR 7297.4)

FAMILY CARE AND MEDICAL LEAVE (continued)

When the need for the leave is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment for a serious health condition of the employee or a family member, the employee shall provide the district with at least 30 days advance notice before the leave. The employee shall consult with the district and make a reasonable effort to schedule, subject to the health care provider's approval, any planned medical treatment or supervision so as to minimize disruption to district operations. (Government Code 12945.2; 2 CCR 7297.4)

When the 30 days notice is not practicable because of a lack of knowledge of approximately when leave will be required to begin, a change in circumstances, or a medical emergency, the employee shall provide the district with notice as soon as practicable. (2 CCR 7297.4)

Certification of Health Condition

At the time of the employee's request for leave for his/her own or his/her child's, parent's, or spouse's serious health condition, or within five business days of the request, the Superintendent or designee shall request that the employee provide certification by a health care provider of the need for leave. Upon receiving the district's request, the employee shall provide the certification within 15 days, unless either the Superintendent or designee provides additional time or it is not practicable under the particular circumstances, despite the employee's diligent, good faith efforts. (29 CFR 825.305; 2 CCR 7297.4)

The certification shall include the following: (29 USC 2613; Government Code 12945.2; 2 CCR 7297.0)

1. The date on which the serious health condition began
2. The probable duration of the condition
3. If the employee is requesting leave to care for a child, parent, or spouse with a serious health condition, both of the following:
 - a. Statement that the serious health condition warrants the participation of a family member to provide care during a period of the treatment or supervision of the child, parent, or spouse
 - b. Estimated amount of time the health care provider believes the employee needs to care for the child, parent, or spouse

FAMILY CARE AND MEDICAL LEAVE (continued)

4. If the employee is requesting leave because of his/her own serious health condition, a statement that due to the serious health condition, he/she is unable to work at all or is unable to perform one or more essential functions of his/her job
5. If the employee is requesting leave for intermittent treatment or is requesting leave on a reduced leave schedule for planned medical treatment, a statement of the medical necessity for the leave, the dates on which treatment is expected to be given, the duration of such treatment, and the expected duration of the leave

The Superintendent or designee shall not request any genetic information, as defined in 42 USC 2000ff, from any employee or his/her family member except as necessary to comply with a certification requirement for FMLA/CFRA leave purposes or with the prior written authorization of the employee. Any such genetic information received by the district shall be kept confidential in accordance with law. (42 USC 2000ff-1, 2000ff-5)

When an employee has provided sufficient medical certification to enable the district to determine whether the employee's leave request is FMLA-eligible, the Superintendent or designee shall notify the employee within five business days whether the leave is FMLA-eligible. The Superintendent or designee may also retroactively designate leave as FMLA/CFRA as long as there is no individualized harm to the employee. (29 CFR 825.301)

If the Superintendent or designee doubts the validity of a certification that accompanies a request for leave for the employee's own serious health condition, he/she may require the employee to obtain a second opinion from a district-approved health care provider, at district expense. If the second opinion is contrary to the first, the Superintendent or designee may require the employee to obtain a third medical opinion from a third health care provider approved by both the employee and the district, again at district expense. The opinion of the third health care provider shall be final and binding. (29 USC 2613; Government Code 12945.2)

If additional leave is needed when the time estimated by the health care provider expires, the district may require the employee to provide recertification in the manner specified in items #1-5 above. (29 USC 2613; Government Code 12945.2)

Fitness for Duty Upon Return to Work

Upon expiration of leave taken for his/her own serious health condition, an employee shall present certification from his/her health care provider that he/she is able to resume work.

(cf. 4112.4/4212.4/4312.4 - Health Examinations)

AR 4161.8(g)
4261.8
4361.8

FAMILY CARE AND MEDICAL LEAVE (continued)

The certification from the employee's health care provider shall address the employee's ability to perform the essential functions of his/her job.

Rights to Reinstatement and Maintenance of Benefits

Upon granting an employee's request for family care and medical leave, the Superintendent or designee shall guarantee to reinstate the employee in the same or a comparable position when the leave ends. (29 USC 2614; Government Code 12945.2)

However, the district may refuse to reinstate an employee returning from leave to the same or a comparable position if all of the following apply: (29 USC 2614; Government Code 12945.2)

1. The employee is a salaried "key employee" who is among the highest paid 10 percent of those district employees who are employed within 75 miles of the employee's worksite.
2. The refusal is necessary to prevent substantial and grievous economic injury to district operations.
3. The district informs the employee of its intent to refuse reinstatement at the time it determines that the refusal is necessary, and the employee fails to immediately return to service.

(cf. 4117.3 - Personnel Reduction)

(cf. 4217.3 - Layoff/Rehire)

During the period when an employee is on family care and medical leave, he/she shall maintain his/her status with the district and the leave shall not constitute a break in service for purposes of longevity, seniority under any collective bargaining agreement, or any employee benefit plan. (29 USC 2614; Government Code 12945.2)

For a period of 12 work weeks, the district shall continue to provide an eligible employee on family care and medical leave the group health plan coverage that was in place before he/she took the leave. The employee shall reimburse the district for premiums paid during the family care and medical leave if he/she fails to return to district employment after the expiration of the leave and the failure is for any reason other than the continuation, recurrence, or onset of a serious health condition or other circumstances beyond his/her control. (29 USC 2614; 29 CFR 825.213; Government Code 12945.2)

(cf. 4154/4254/4354 - Health and Welfare Benefits)

FAMILY CARE AND MEDICAL LEAVE (continued)

In addition, during the period when an employee is on family care and medical leave, he/she shall be entitled to continue to participate in other employee benefit plans including life insurance, short-term or long-term disability insurance, accident insurance, pension and retirement plans, and supplemental unemployment benefit plans to the same extent and under the same conditions as apply to an unpaid leave taken for any other purpose. However, for purposes of pension and retirement plans, the district shall not be required to make plan payments for an employee during the leave period and the leave period shall not be counted for purposes of time accrued under the plan. (Government Code 12945.2)

Military Family Leave Resulting from Qualifying Exigencies

An eligible employee may take up to 12 work weeks of unpaid leave during the 12-month period established by the district while a covered military member is on covered active duty or call to covered active duty status for one or more qualifying exigencies. (29 USC 2612)

Covered military member means an employee's spouse, son, daughter, or parent on covered active duty or call to covered active duty status. (29 CFR 825.126)

Covered active duty means duty during the deployment of a member of the regular Armed Forces to a foreign country or duty during the deployment of a member of the National Guard or Reserves to a foreign country under a call or order to active duty. (29 USC 2611)

Qualifying exigencies include time needed to: (29 CFR 825.126)

2. Attend military events and related activities, such as any official ceremony or family assistance program related to the active duty or call to active duty status
3. Arrange childcare or attend school activities arising from the active duty or call to active duty, such as arranging for alternative childcare, enrolling or transferring a child to a new school, or attending meetings
4. Make or update financial and legal arrangements to address a covered military member's absence
5. Attend counseling provided by someone other than a health care provider
6. Spend time (up to five days of leave per instance) with a covered military member who is on short-term temporary rest and recuperation leave during deployment

FAMILY CARE AND MEDICAL LEAVE (continued)

7. Attend to certain post-deployment activities, such as arrival ceremonies or reintegration briefings
8. Address any other event that the employee and district agree is a qualifying exigency

The employee shall provide the Superintendent or designee with notice of the need for the qualifying exigency leave as soon as practicable, regardless of how far in advance such leave is foreseeable. (29 CFR 825.302)

An employee who is requesting such leave for the first time shall provide the Superintendent or designee with a copy of the covered military member's active duty orders, or other documentation issued by the military, and the dates of the service. In addition, the employee shall provide the Superintendent or designee with certification of the qualifying exigency necessitating the leave. The certification shall contain the information specified in 29 CFR 825.309.

The employee's qualifying exigency leave may be taken on an intermittent or reduced leave schedule basis. (29 CFR 825.302)

During the period of qualified exigency leave, the district's rule regarding an employee's use of his/her accrued vacation leave and any other accrued paid or unpaid time off, as specified in "Use/Substitution of Paid Leave" above, shall apply.

Military Caregiver Leave

The district shall grant up to a total of 26 work weeks of leave during a single 12-month period, measured forward from the first date of leave taken, to an eligible employee to care for a covered servicemember with a serious illness or injury. In order to be eligible for such military caregiver leave, an employee must be the spouse, son, daughter, parent, or next of kin of the covered servicemember. This 26-week period is not in addition to, but rather is inclusive of, the 12 work weeks of leave that may be taken for other FMLA qualifying reasons. (29 USC 2611, 2612; 29 CFR 825.127)

Covered servicemember may be either: (29 USC 2611)

1. A member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy; is otherwise in outpatient status; or is otherwise on the temporary disability retired list for a serious injury or illness

FAMILY CARE AND MEDICAL LEAVE (continued)

2. A veteran who, within the five years preceding his/her undergoing of medical treatment, recuperation, or therapy for a serious injury or illness, was a member of the Armed Forces, including the National Guard or Reserves

Son or daughter of a covered servicemember means the biological, adopted, or foster child, stepchild, legal ward, or a child of any age for whom the covered servicemember stood in loco parentis. (29 CFR 825.127)

Parent of a covered servicemember means the covered servicemember's biological, adopted, step or foster parent, or any other individual who stood in loco parentis to the covered servicemember (except "parents in law"). (29 CFR 825.127)

Next of kin means the nearest blood relative to the covered servicemember, or as designated in writing by the covered servicemember. (29 USC 2611, 2612)

Outpatient status means the status of a member of the Armed Forces assigned to a military medical treatment facility as an outpatient or a unit established for the purpose of providing command and control of members of the Armed Forces receiving medical care as outpatients. (29 USC 2611; 29 CFR 825.127)

Serious injury or illness means: (29 USC 2611; 29 CFR 825.127)

1. For a member of the Armed Forces, an injury or illness incurred or aggravated by the member's service in the line of duty while on active duty in the Armed Forces that may render the member medically unfit to perform the duties of the member's office, grade, rank, or rating
2. For a veteran, an injury or illness incurred or aggravated by the member's service in the line of duty on active duty in the Armed Forces, including the National Guard or Reserves, that manifested itself before or after the member became a veteran

The employee shall provide reasonable and practicable notice of the need for the leave in accordance with the procedures in the section entitled "Request for Leave" above.

An employee requesting leave to care for a covered servicemember with a serious injury or illness shall provide the Superintendent or designee with certification from an authorized health care provider of the servicemember that contains the information specified in 29 CFR 825.310.

FAMILY CARE AND MEDICAL LEAVE (continued)

The leave may be taken intermittently or on a reduced schedule when medically necessary. An employee taking military caregiver leave in combination with other leaves pursuant to this administrative regulation shall be entitled to a combined total of 26 work weeks of leave during a single 12-month period. When both spouses work for the district and both wish to take such leave, the spouses are limited to a maximum combined total of 26 work weeks during a single 12-month period. (29 USC 2612)

During the period of military caregiver leave, the district's rule regarding an employee's use of his/her accrued vacation leave and other accrued paid or unpaid time off, as specified in "Use/Substitution of Paid Leave" above, shall apply.

Notifications

The Superintendent or designee shall provide the following notifications about state and federal law related to FMLA/CFRA:

1. **General Notice:** Information explaining the provisions of the FMLA/CFRA and employee rights and obligations shall be posted in a conspicuous place on district premises, or electronically, and shall be included in employee handbooks. (29 USC 2619; 2 CCR 7297.9)

The general notice shall also explain an employee's obligation to provide the Superintendent or designee with at least 30 days notice of the need for the leave, when the need for the leave is reasonably foreseeable. (2 CCR 7297.4)

2. **Eligibility Notice:** When an employee requests leave or when the Superintendent or designee acquires knowledge that an employee's leave may be for an FMLA/CFRA qualifying reason, the Superintendent or designee shall, within five business days, provide notification to the employee of his/her eligibility to take such leave. (29 CFR 825.300)
3. **Rights and Responsibilities Notice:** Each time the eligibility notice is provided to an employee, the Superintendent or designee shall provide written notification explaining the specific expectations and obligations of the employee, including any consequences for a failure to meet those obligations. Such notice shall include, as appropriate: (29 CFR 825.300)
 - a. A statement that the leave may be designated and counted against the employee's annual FMLA/CFRA leave entitlement and the appropriate 12-month entitlement period, if qualifying

FAMILY CARE AND MEDICAL LEAVE (continued)

- b. Any requirements for the employee to furnish medical certification of a serious health condition, serious injury or illness, or qualifying exigency arising out of active duty or call to active duty status and the consequences of failing to provide the certification
- c. The employee's right to substitute paid leave, whether the district will require substitution of paid leave, conditions related to any substitution, and the employee's entitlement to take unpaid leave if the employee does not meet the conditions for paid leave
- d. Any requirements for the employee to make any premium payments to maintain health benefits, the arrangement for making such payments, and the possible consequences of failure to make payments on a timely basis
- e. If applicable, the employee's status as a "key employee," potential consequence that restoration may be denied following the FMLA leave, and explanation of the conditions required for such denial
- f. The employee's right to maintenance of benefits during the leave and restoration to the same or an equivalent job upon return from leave
- g. The employee's potential liability for health insurance premiums paid by the district during the employee's unpaid FMLA leave should the employee not return to service after the leave

Any time the information provided in the above notice changes, the Superintendent or designee shall, within five business days of his/her receipt of an employee's first notice of need for leave, provide the employee with a written notice referencing the prior notice and describing any changes to the notice. (29 CFR 825.300)

4. **Designation Notice:** When the Superintendent or designee has information (e.g., sufficient medical certification) to determine whether the leave qualifies as FMLA/CFRA leave, he/she shall, within five business days, provide written notification designating the leave as FMLA/CFRA qualifying or, if the leave will not be so designated, the reason for that determination. (29 CFR 825.300)

If the amount of leave needed is known, the notice shall include the number of hours, days, or weeks that will be counted against the employee's FMLA/CFRA entitlement. If it is not possible to provide that number at the time of the designation notice, notification shall be provided of the amount of leave counted against the employee's entitlement upon request by the employee and at least once in every 30-day period if leave was taken in that period. CATASTROPHIC LEAVE PROGRAM

4361.9

When an employee or a member of his/her family experiences a catastrophic illness or injury which requires the employee to take time off from work for an extended period of time, and the employee has exhausted all available sick leave and other paid time off, he/she may request donations of accrued vacation or sick leave credits. (Education Code 44043.5)

In making such a request, the employee shall provide verification of the catastrophic injury or illness. (Education Code 44043.5)

Verification shall be made by means of a letter, dated and signed by the sick or injured person's physician, indicating the incapacitating nature and probable duration of the illness or injury.

Upon determination that the employee is unable to work due to his/her own or a family member's catastrophic illness or injury, any other employee, upon written notice to the Governing Board, may donate accrued vacation and/or sick leave credits to the requesting employee. Donations shall be at a minimum of eight hours, and in hour increments thereafter. (Education Code 44043.5)

To ensure that employees retain sufficient accrued sick leave to meet their own needs, donors shall not reduce their accumulated sick leave to fewer than 10 hours.

All transfers of eligible leave credit shall be irrevocable. (Education Code 44043.5)

The Superintendent or designee shall ensure that all donations are confidential.

The employee who is the recipient of the donated leave credits shall use those credits within 12 consecutive months.

If donated credits are not used by the employee within 12 consecutive months, the credits shall be placed in a pool that will be available to the next eligible employee who requests catastrophic leave.

An employee who receives paid catastrophic leave shall use any leave credits that he/she continues to accrue on a monthly basis before receiving paid leave pursuant to this program. (Education Code 44043.5)
