A child who becomes five years old after December 2 may be admitted into kindergarten, with parental approval, at any time after his/her fifth birthday during the school year when the Superintendent or designee determines on a case-by-case basis that such admittance is in the child's best interests.

The Superintendent or designee shall provide parents/guardians with information as to the effects, advantages and disadvantages of early entry into kindergarten. (Education Code 48000)

Classroom space must be available, and the class size cap specified in certificated negotiated agreements may not be exceeded.

(cf. 5123 - Promotion/Acceleration/Retention)

DISTRICT RESIDENCY

Cautionary Notice 2010-13: AB 1610 (Ch. 724, Statutes of 2010) amended Education Code 37252.2 to relieve districts from the obligation, until July 1, 2013, to perform any activities that are deemed to be reimbursable state mandates under that section. As a result, certain provisions of the following policy or administrative regulation that reflect those requirements may be suspended.

Criteria for Residency

A student shall be deemed to have complied with district residency requirements if he/she meets any of the following criteria:

1. The student's parent/guardian resides within district boundaries. (Education Code 48200)

(cf. 5111.13 - Residency for Homeless Children)
(cf. 6173 - Education for Homeless Children)

2. The student is placed within district boundaries in a regularly established licensed children's institution, a licensed foster home, or a family home pursuant to a court-ordered commitment or placement. (Education Code 48204)

(cf. 6173.1 - Education for Foster Youth)

3. The student has been admitted through the district's interdistrict attendance program. (Education Code 48204)

(cf. 5117 - Interdistrict Attendance)

4. The student is an emancipated minor residing within district boundaries. (Education Code 48204)

5. The student lives with a caregiving adult within district boundaries. (Education Code 48204)

6. The student resides in a state hospital located within district boundaries. (Education Code 48204)

7. The student is confined to a hospital or other residential health facility within district boundaries for treatment of a temporary disability. (Education Code 48207)

(cf. 6183 - Home and Hospital Instruction)

In addition, district residency status may be granted to a student if at least one parent/guardian is physically employed within district boundaries. (Education Code 48204)

(cf. 5111.12 - Residency Based on Parent/Guardian Employment)

DISTRICT RESIDENCY (continued)

The Superintendent or designee shall annually notify parents/guardians of all existing attendance options available in the district, including, but not limited to, all options for meeting residency requirements for school attendance. (Education Code 48980)

(cf. 5145.6 - Parental Notifications)

Proof of Residency

Prior to admission in district schools, students shall provide proof of residency.

(cf. 5111 - Admission)

The Superintendent or designee shall annually verify the student's residency and retain a copy of the document or written statement offered as verification in the student's mandatory permanent record. (5 CCR 432)

Upon enrollment of a student residing in the home of a caregiving adult within district boundaries, the caregiving adult shall execute, under penalty of perjury, the affidavit specified in Family Code 6552.

(cf. 5141 - Health Care and Emergencies)

Reasonable evidence of residency may be established by documentation including, but not limited to, any of the following:

1. Property tax payment receipts
2. Rent payment receipts
3. Utility service payment receipts
4. Declaration of residency executed by the student's parent/guardian

If any district employee reasonably believes that the parent/guardian of a student has provided false or unreliable evidence of residency, the Superintendent or designee shall make reasonable efforts to determine that the student meets residency requirements.

Safe at Home Program

When a student or parent/guardian participating in the Safe at Home program requests that the district use the substitute address designated by the Secretary of State, the Superintendent or designee may request the actual residence address for the purpose of establishing

DISTRICT RESIDENCY (continued)

residency within district boundaries. The Superintendent or designee shall not include the actual address in the student's file or any other public record and shall instead use the substitute address for all future communications and correspondence. (Government Code 6206, 6207)

(cf. 3580 - District Records)

(cf. 5125 - Student Records)

Admission of Residents of Other States or Countries

The Superintendent or designee may, with the approval of the County Superintendent of Schools, admit a student living in an adjoining state contiguous with the district, as long as an agreement has been reached with the governing authority of the district in which the student resides and payment is made in accordance with law. (Education Code 48050)

A student whose actual and legal residence is in a foreign country adjacent to California, regardless of whether or not his/her parents/guardians are citizens of the United States, may be admitted to a district school provided that the student is otherwise eligible for admission to a California district and the student regularly returns within a 24-hour period to the foreign country. As a condition to admittance of such a student, the student's parent/guardian shall agree to pay the district reimbursement of costs in accordance with law. (Education Code 48051, 48052)

(cf. 5111.2 - Nonresident Foreign Students)

Denial or Revocation of Enrollment

If the Superintendent or designee, upon investigation, determines that a student's enrollment or attempted enrollment is based on false evidence of residency, he/she shall revoke the student's enrollment. Before any such revocation, the parent/guardian shall be sent written notice of the facts leading to the decision. This notice shall state the parent/guardian's right, within 10 school days, to schedule a meeting with a hearing officer to inspect supporting documents, rebut district evidence, question any district witnesses, and present oral and/or documentary evidence, including witnesses, on the student's behalf. For good cause, the hearing officer may extend the meeting date for an additional 10 days to permit the parent/guardian to obtain required documentation.

If the parent/guardian fails to schedule the above meeting, the student's enrollment shall be revoked 11 school days after the date of the notice.

If the above meeting is held, the hearing officer shall prepare a written decision describing his/her findings. If the hearing officer's decision is upheld, the parent/guardian shall be informed of his/her right to appeal to the Governing Board within 10 days.

DISTRICT RESIDENCY (continued)

A parent/guardian who appeals to the Board shall have the right to have a representative present and to rebut district evidence, question any district witnesses, and present oral and/or documentary evidence, including witnesses, on the student's behalf. Except in cases where good cause is shown, the Board shall not reopen the record to consider evidence or argument which was not presented to the hearing officer. The student may continue to attend school during the period of the appeal.

The Board's decision shall be final.

RESIDENCY BASED ON PARENT/GUARDIAN EMPLOYMENT

District residency status may be granted to a student if at least one parent/guardian is physically employed within district boundaries. (Education Code 48204)

(cf. 5111.1 - District Residency)
(cf. 5117 - Interdistrict Attendance)

Applications for Admission

When applying for his/her child's admission to a district school based on employment, the parent/guardian shall provide proof of physical employment within district boundaries. This evidence may include a paycheck stub or letter from his/her employer listing an actual address within district boundaries. Stubs or letters listing only a post office box as an address shall not be accepted.

The Governing Board may deny enrollment based on parent/guardian employment if any of the following circumstances exists:

1. The additional cost of educating the student would exceed the amount of additional state aid received as a result of the transfer. (Education Code 48204)
2. Enrollment of the student would adversely affect the district's court-ordered or voluntary desegregation plan. (Education Code 48204)
3. The school facilities are overcrowded at the relevant grade level.
4. Other circumstances exist that are not arbitrary. (Education Code 48204)

If the Board denies the student admission for any of the above reasons, the Superintendent or designee shall notify the parent/guardian in writing of the Board's decision, including specific reasons for the denial.

Students enrolled in the district on the basis of parent/guardian employment shall not be required to reapply for enrollment in subsequent school years. Such students may continue to attend school in the district through the highest grade provided by the district, if the parent/guardian so chooses and if at least one of the student's parents/guardians continues to be physically employed within district boundaries, subject to the restrictions specified in law related to excess costs and negative impact on desegregation plans. (Education Code 48204)

District Students Transferring to Other Districts Based on Parent/Guardian Employment

When a student's parent/guardian requests that the student be transferred to another district based on the parent/guardian's physical employment within that other district, the Board may

RESIDENCY BASED ON PARENT/GUARDIAN EMPLOYMENT (continued)

deny the request if the percentage of district students admitted to other districts on the basis of parent/guardian employment exceeds the limits prescribed in Education Code 48204. A transfer may also be denied if the Board determines that the transfer would negatively impact a court-ordered or voluntary desegregation plan. (Education Code 48204)

The student's parent/guardian shall be notified in writing of the Board's decision to deny the transfer to the school district in which the parent/guardian's employer is situated. The notice shall include specific reasons for the denial.

INTERDISTRICT ATTENDANCE (continued)

An interdistrict attendance permit shall not exceed a term of five years. Each permit shall stipulate the terms and conditions established by both districts under which interdistrict attendance shall be permitted, denied, or revoked, and any standards for reapplication. (Education Code 46600)

Once a student is enrolled in a school, he/she shall not be required to reapply for an interdistrict transfer and shall be allowed to continue to attend the school in which he/she is enrolled, unless reapplication standards are otherwise specified in the permit. (Education Code 46600)

The Superintendent or designee may deny initial requests for interdistrict attendance permits if school facilities are overcrowded at the relevant grade level or based on other considerations that are not arbitrary. However, once a student is admitted, the district may not deny him/her continued attendance because of overcrowded facilities at the relevant grade level.

Within 30 days of a request for an interdistrict permit, the Superintendent or designee shall notify the parents/guardians of a student who is denied interdistrict attendance regarding the process for appeal to the County Board of Education as specified in Education Code 46601. (Education Code 46601)

(cf. 5145.6 - Parental Notifications)

Students who are under consideration for expulsion or who have been expelled may not appeal interdistrict attendance denials or decisions while expulsion proceedings are pending or during the term of the expulsion. (Education Code 46601)

(cf. 5119 - Students Expelled from Other Districts)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

STUDENTS EXPELLED FROM OTHER DISTRICTS

The Governing Board may grant admission to students expelled from other districts in accordance with law and when consistent with the Board's goal to provide a safe and secure environment for students and staff.

(cf. 0450 - Comprehensive Safety Plan)

If a student expelled from another district is granted enrollment, in accordance with the procedures specified below, he/she shall either establish legal residence in this district or enroll pursuant to an interdistrict attendance agreement. (Education Code 48915.1, 48915.2)

(cf. 5111 - Admission)

(cf. 5111.1 - District Residency)

(cf. 5117 - Interdistrict Attendance Agreements)

Enrollment During the Term of the Expulsion

The district shall not enroll a student expelled by another district for any of the offenses listed in Education Code 48915(a) or (c) (mandatory expulsion offenses) during the term of the student's expulsion, unless the enrollment is at a community day school. (Education Code 48915.2)

Upon receiving a request for enrollment from a student expelled from another district for acts other than those specified in Education Code 48915(a) or (c), the Board shall hold a hearing to determine whether the student poses a continuing danger to students or staff. The hearing shall be conducted and notice shall be provided in accordance with procedures governing expulsion of students described in Education Code 48918. (Education Code 48915.1)

(cf. 5144.1 - Suspension and Expulsion/Due Process)

If the student or parent/guardian neglects to inform the district that the student was expelled from his/her previous district for an act other than those listed in Education Code 48915(a) or (c), the Board shall record and discuss this lack of compliance during the hearing. (Education Code 48915.1)

If the Board finds that a student expelled for acts other than those specified in Education Code 48915(a) or (c) does not pose a continuing danger to students or staff, the student may be admitted or conditionally admitted during the term of expulsion. If the Board determines that the student does pose a continuing danger to students or staff, the student shall not be admitted. (Education Code 48915.1)

(cf. 5145.6 - Parental Notifications)

STUDENTS EXPELLED FROM OTHER DISTRICTS (continued)

Enrollment After the Term of the Expulsion

A student expelled for an act specified in Education Code 48915(a) or (c) may enroll in the district after the term of his/her expulsion if the Board finds, at a hearing, that the student does not pose a continuing danger to students or staff. The hearing shall be conducted and notice shall be provided in accordance with procedures governing expulsion of students described in Education Code 48918. (Education Code 48915.2)

A student expelled for any act other than those specified in Education Code 48915(a) or (c) may request enrollment after the term of his/her expulsion in accordance with the district's procedures for establishing residency or interdistrict transfer.

GRADES/EVALUATION OF STUDENT ACHIEVEMENT

The Governing Board believes that grades serve a valuable instructional purpose by helping students and parents/guardians understand performance expectations and identifying the student's areas of strength and those areas needing improvement. Parents/guardians and students have the right to receive course grades that represent an accurate evaluation of the student's achievement.

(cf. 5020 - Parent Rights and Responsibilities)
(cf. 5125.2 - Withholding Grades, Diploma or Transcripts)

The Superintendent or designee shall establish a uniform grading system based on standards that apply to all students in that course and grade level. Principals and teachers shall ensure that student grades conform to this system. Teachers shall inform students and parents/guardians how student achievement will be evaluated in the classroom.

A teacher shall base a student's grades on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and district standards. Students shall have the opportunity to demonstrate this mastery through a variety of methods such as classroom participation, homework, tests, and portfolios.

(cf. 6011 - Academic Standards)
(cf. 6162.5 - Student Assessment)

The teacher of each course shall determine the student's grade. The grade assigned by the teacher shall not be changed by the Board or the Superintendent except as provided by law, Board policy, or administrative regulation. (Education Code 49066)

(cf. 5125.3 - Challenging Student Records)

Students in grades K-3 shall receive progress reports rather than letter grades.

When reporting student performance to parents/guardians, teachers may add narrative descriptions, observational notes, and/or samples of classroom work in order to better describe student progress in specific skills and subcategories of achievement.

A report card for a student with a disability may contain information about his/her disability, including whether that student received special education or related services, provided that the report card informs parents/guardians about their child's progress or level of achievement in specific classes, course content, or curriculum. However, transcripts that may be used to inform postsecondary institutions or prospective employers of the student's academic achievements shall not contain information disclosing the student's disability.

(cf. 6159 - Individualized Education Program)
(cf. 6164.6 - Identification and Education Under Section 504)

GRADES/EVALUATION OF STUDENT ACHIEVEMENT (continued)

Effect of Absences on Grades

If a student misses class without an excuse and does not subsequently turn in homework, take a test, or fulfill another class requirement which he/she missed, the teacher may lower the student's grade for nonperformance.

(cf. 6154 - Homework/Makeup Work)

The Board believes that seven unexcused absences per grading period constitute excessive unexcused absences. Students with excessive unexcused absences may receive a failing grade and not receive credit for the class(es).

(cf. 5113 - Absences and Excuses)

Grade Point Average

The Superintendent or designee shall determine the methodology to be used in calculating students' grade point averages (GPA), including the courses to be included within the GPA and whether extra grade weighting shall be applied to Advanced Placement, honors, and/or concurrent postsecondary courses.

Written report cards displaying students' grades in each subject or course shall be distributed to parents/guardians at the end of each grading period. Parents/guardians shall be offered an opportunity to meet with their child's teacher(s) to discuss the grades and strategies to improve their child's performance.

(cf. 6020 - Parent Involvement)

Whenever it becomes evident to a teacher that a student is in danger of failing a course, the teacher shall arrange a conference with the student's parent/guardian or send the parent/guardian a written report. (Education Code 49067)

(cf. 5123 - Promotion/Acceleration/Retention)

Grades for Physical Education

No grade of a student participating in a physical education class may be adversely affected due to the fact that the student, because of circumstances beyond his/her control, does not wear standardized physical education apparel. (Education Code 49066)

(cf. 6142.7 - Physical Education and Activity)

Peer Grading

At their discretion, teachers may use peer grading of student tests, papers, and assignments as appropriate to reinforce lessons.

Repeating Classes

With the approval of the principal or designee, a student may repeat a course in order to raise his/her grade. Both grades received shall be entered on the student's transcript, but the student shall receive credit only once for taking the course.

The highest grade received shall be used in determining the student's overall grade point average (GPA).

Effect of Absences on Grades

Teachers who withhold class credit because of excessive unexcused absences shall so inform students and parents/guardians at the beginning of the school year or semester. When a student reaches the number of unexcused absences defined as excessive in Board policy, the student and parent/guardian shall again be notified of the district's policy regarding excessive unexcused absences.

(cf. 5113 - Absences and Excuses)

GRADES/EVALUATION OF STUDENT ACHIEVEMENT (continued)

The student and parent/guardian shall have a reasonable opportunity to explain the absences. (Education Code 49067)

If a student receives a failing grade because of excessive unexcused absences, the student's record shall specify that the grade was assigned because of excessive unexcused absences. (Education Code 49067)

Grades for a student in foster care shall not be lowered if the student is absent from school due to either of the following circumstances: (Education Code 49069.5)

1. A decision by a court or placement agency to change the student's placement, in which case the student's grades and credits shall be calculated as of the date the student left school
2. A verified court appearance or related court-ordered activity

(cf. 6173.1 - Education for Foster Youth)

Grade Point Average

The Superintendent or designee shall calculate each student's GPA using the grade points assigned to each letter grade. The grade points for all applicable coursework shall be totaled and divided by the number of courses completed.

(cf. 5126 - Awards for Achievement)

(cf. 6145 - Extracurricular and Cocurricular Activities)

When plus and minus designations are added to letter grades, they shall not be considered in determining GPA.

PROMOTION/ACCELERATION/RETENTION

Cautionary Notice: As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009), ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), and SB 70 (Ch. 7, Statutes of 2011), Education Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Yreka Union School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2014-15 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent or designee.

Cautionary Notice 2010-13: AB 1610 (Ch. 724, Statutes of 2010) amended Education Code 37252.2 to relieve districts from the obligation, until July 1, 2013, to perform any activities that are deemed to be reimbursable state mandates under that section. As a result, certain provisions of the following policy or administrative regulation that reflect those requirements may be suspended.

The Governing Board expects students to progress through each grade level within one school year. To accomplish this, instruction should accommodate the variety of ways that students learn and include strategies for addressing academic deficiencies when needed.

Students shall progress through the grade levels by demonstrating growth in learning and meeting grade-level standards of expected student achievement.

(cf. 6011 - Academic Standards)

(cf. 6146.1 - High School Graduation Requirements)

(cf. 6146.5 - Elementary/Middle School Graduation Requirements)

(cf. 6162.52 - High School Exit Examination)

When high academic achievement is evident, the Superintendent or designee may recommend a student for acceleration into a higher grade level. The student's maturity level shall be taken into consideration in making a determination to accelerate a student.

As early as possible in the school year, the Superintendent or designee shall identify students who should be retained and who are at risk of being retained in accordance with law, Board policy, administrative regulation, and the following criteria.

Students shall be identified on the basis of grades. The following other indicators of academic achievement shall also be used:

- STAR Test Results
- Grade Level Assessments
- District Developed Tests

(cf. 5121 - Grades/Evaluation of Student Achievement)

(cf. 5149 - At-Risk Students)

PROMOTION/ACCELERATION/RETENTION (continued)

When any student in grades 2-8 is retained or recommended for retention, the Superintendent or designee shall offer programs of direct, systematic, and intensive supplemental instruction in accordance with Education Code 37252.2 and Board policy.

PROMOTION/ACCELERATION/RETENTION

Acceleration from Kindergarten to First Grade

A student enrolled in kindergarten may be admitted to the first grade at the discretion of the Superintendent or designee and with the consent of the parent/guardian, upon determination that the child is ready for first-grade work. (Education Code 48011)

Admission shall be subject to the following minimum criteria: (5 CCR 200)

1. The student is at least five years of age.
2. The student has attended a public school kindergarten for a long enough time to enable school personnel to evaluate his/her ability.
3. The student is in the upper five percent of his/her age group in terms of general mental ability.
4. The physical development and social maturity of the student are consistent with his/her advanced mental ability.
5. The parent/guardian of the student has filed a written statement with the school district approving the placement in first grade.

Continuation in Kindergarten

Students who have completed one year of kindergarten shall be admitted to first grade unless the parent/guardian and the Superintendent or designee agree that the student shall continue in kindergarten for not more than one additional school year. (Education Code 48011)

Whenever a student continues in kindergarten for an additional year, the Superintendent or designee shall secure an agreement, signed by the parent/guardian, stating that the student shall continue in kindergarten for not more than one additional school year. (Education Code 46300)

Retention at Other Grade Levels

The Superintendent or designee shall identify students who should be retained or who are at risk of being retained at the following grade levels: (Education Code 48070.5)

1. Between grades 2 and 3
2. Between grades 3 and 4
3. Between grades 4 and 5

PROMOTION/ACCELERATION/RETENTION (continued)

4. Between the end of the intermediate grades and the beginning of the middle school grades
5. Between the end of the middle school grades and the beginning of the high school grades

Students between grades 2 and 3 and grades 3 and 4 shall be identified primarily on the basis of their level of proficiency in reading. Proficiency in reading, English language arts and mathematics shall be the basis for identifying students between grades 4 and 5, between intermediate and middle school grades, and between middle school grades and high school grades. (Education Code 48070.5)

(cf. 6142.91 - Reading/Language Arts Instruction)
(cf. 6142.92 - Mathematics Instruction)

Students shall be identified on the basis of either statewide assessment results or grades and other indicators of academic achievement, as established by Board policy.

(cf. 5121 - Grades/Evaluation of Student Achievement)
(cf. 6162.5 - Student Assessment)

If a student is identified as performing below the minimum standard for promotion, the student shall be retained in his/her current grade level unless the student's regular classroom teacher determines, in writing, that retention is not the appropriate intervention for the student's academic deficiencies. This determination shall specify the reasons that retention is not appropriate for the student and shall include recommendations for interventions other than retention that, in the opinion of the teacher, are necessary to assist the student in attaining acceptable levels of academic achievement. (Education Code 48070.5)

If the teacher's recommendation to promote is contingent on the student's participation in a summer school or interim session remediation program, the student's academic performance shall be reassessed at the end of the remediation program, and the decision to retain or promote the student shall be reevaluated at that time. The teacher's evaluation shall be provided to and discussed with the student's parents/guardians and the principal before any final determination of retention or promotion. (Education Code 48070.5)

(cf. 6177 - Summer School)
(cf. 6179 - Supplemental Instruction)

If the student does not have a single regular classroom teacher, the principal or designee shall specify the teacher(s) responsible for the decision to promote or retain the student. (Education Code 48070.5)

PROMOTION/ACCELERATION/RETENTION (continued)

When a student is identified as being at risk of retention, the Superintendent or designee shall so notify the student's parent/guardian as early in the school year as practicable. The student's parent/guardian shall be provided an opportunity to consult with the teacher(s) responsible for the decision to promote or retain the student. (Education Code 48070.5)

(cf. 5145.6 - Parental Notifications)

The Superintendent or designee shall also provide a copy of the district's promotion/retention policy and administrative regulation to those parents/guardians who have been notified that their child is at risk of retention.

The teacher's decision to promote or retain a student may be appealed consistent with Board policy, administrative regulation and law.

The burden shall be on the appealing party to show why the teacher's decision should be overruled. (Education Code 48070.5)

To appeal a teacher's decision, the appealing party shall submit a written request to the Superintendent or designee specifying the reasons that the teacher's decision should be overruled. The appeal must be initiated within 10 school days of the determination of retention or promotion.

The teacher shall be provided an opportunity to state orally and/or in writing the criteria on which his/her decision was based.

Within 30 days of receiving the request, the Superintendent or designee shall determine whether or not to overrule the teacher's decision. Prior to making this determination, the Superintendent or designee may meet with the appealing party and the teacher. If the Superintendent or designee determines that the appealing party has overwhelmingly proven that the teacher's decision should be overruled, he/she shall overrule the teacher's decision.

The Superintendent or designee's determination may be appealed by submitting a written appeal to the Governing Board within 15 school days. Within 30 days of receipt of a written appeal, the Board shall meet in closed session to decide the appeal. The Board's decision may be made on the basis of documentation prepared as part of the appeal process or, at the discretion of the Board, the Board may also meet with the appealing party, the teacher and the Superintendent/designee to decide the appeal. The decision of the Board shall be final.

(cf. 9321 - Closed Session Purposes and Agendas)

(cf. 9321.1 - Closed Session Actions and Reports)

PROMOTION/ACCELERATION/RETENTION (continued)

If the decision of the Board is unfavorable to the appealing party, he/she shall have the right to submit a written statement of objections which shall become part of the student's record.

(cf. 5125 - Student Records)

(cf. 5125.3 - Challenging Student Records)
