**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION**

**Referrals for Special Education Services**

A student shall be referred for special education instruction and services only after the resources of the regular education program have been considered and used where appropriate. (Education Code 56303)

All referrals from school staff for special education and related services shall include a brief reason for the referral and description of the regular program resources that were considered and/or modified for use with the student and their effect. (5 CCR 3021)

**Initial Evaluation for Special Education Services**

Before the initial provision of special education and related services to a student with a disability, the district shall conduct a full and individual initial evaluation of the student. (Education Code 56320; 34 CFR 300.301)

Upon receipt of a referral of any student for special education and related services, a proposed evaluation plan shall be developed within 15 days, not counting days between the student's regular school sessions or terms or days of school vacation in excess of five school days, unless the parent/guardian agrees, in writing, to an extension. If the referral is made within 10 days or less prior to the end of the student's regular school year or term, the proposed evaluation plan shall be developed within 10 days after the beginning of the next regular school year or term. (Education Code 56043, 56321)

The proposed evaluation plan shall meet all of the following requirements: (Education Code 56321)

1. Be in a language easily understood by the general public
2. Be provided in the native language of the parent/guardian or other mode of communication used by the parent/guardian unless it is clearly not feasible
3. Explain the types of evaluation to be conducted
4. State that no individualized education program (IEP) will result from the evaluation without parent/guardian consent

*(cf. 6159 - Individualized Education Program)*

Before conducting an initial evaluation, the district shall provide the parent/guardian with prior written notice in accordance with 34 CFR 300.503. In addition, as part of the evaluation plan, the parent/guardian shall receive written notice that includes all of the following information: (Education Code 56329; 34 CFR 300.304, 300.504)

**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)

1. Upon completion of the administration of tests and other evaluation materials, an IEP team meeting that includes the parent/guardian or his/her representative shall be scheduled pursuant to Education Code 56341. At this meeting, the team shall determine whether or not the student is a student with disabilities, as defined in Education Code 56026, and shall discuss the evaluation, the educational recommendations, and the reasons for the recommendations.
2. When making a determination of eligibility for special education, the district shall not determine that the student is disabled if the primary factor for such determination is lack of appropriate instruction in reading, including the essential components of reading instruction as defined in 20 USC 6368, lack of appropriate instruction in mathematics, or limited English proficiency.
3. A copy of the evaluation report and the documentation of determination of eligibility shall be given to the parent/guardian.
4. If the parent/guardian disagrees with an evaluation obtained by the district, he/she has the right to obtain, at public expense, an independent educational evaluation (IEE) of the student from qualified specialists, in accordance with 34 CFR 300.502. The parent/guardian is entitled to only one such evaluation at public expense each time the district conducts an assessment with which the parent/guardian disagrees.

If the district observed the student in conducting its evaluation, or if its evaluation procedures make it permissible to have in-class observation of the student, an equivalent opportunity shall apply to the IEE. This equivalent opportunity shall apply to the student's current placement and setting as well as observation of the district's proposed placement and setting, if any, regardless of whether the IEE is initiated before or after the filing of a due process hearing proceeding.

5. The district may initiate a due process hearing pursuant to Education Code 56500-56508 to show that its evaluation is appropriate. If the final decision resulting from the due process hearing is that the evaluation is appropriate, the parent/guardian maintains the right for an IEE, but not at public expense.

If the parent/guardian obtains an IEE at private expense, the results of the IEE shall be considered by the district with respect to the provision of a free appropriate public education (FAPE) to the student, and may be presented as evidence at a due process hearing regarding the student. If the district observed the student in conducting its evaluation, or if its evaluation procedures make it permissible to have in-class observation of a student, an equivalent opportunity shall apply to an IEE of the student in the student's current educational placement and setting and in any educational placement and setting proposed by the district, regardless of whether the IEE is initiated before or after the filing of a due process hearing.

## **IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)

6. If the parent/guardian proposes a publicly financed placement of the student in a nonpublic school, the district shall have an opportunity to observe the proposed placement and, if the student has already been unilaterally placed in the nonpublic school by his/her parent/guardian, the student in that proposed placement. Any such observation shall only be of the student who is the subject of the observation and shall not include the observation or evaluation of any other student in the proposed placement unless that other student's parent/guardian consents to the observation or evaluation. The results of any observation or evaluation of another student in violation of Education Code 56329(d) shall be inadmissible in any due process or judicial proceeding regarding FAPE of that other student.

*(cf. 5145.6 - Parental Notifications)*

*(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)*

*(cf. 6164.41 - Children with Disabilities Enrolled by their Parents in Private School)*

### **Parent/Guardian Consent for Evaluations**

Upon receiving the proposed evaluation plan, the parent/guardian shall have at least 15 days to decide whether or not to consent to the initial evaluation. The district shall not interpret parent/guardian consent for initial evaluation as consent for initial placement or initial provision of special education services. (Education Code 56321; 34 CFR 300.300)

*Informed parental consent* means that the parent/guardian: (Education Code 56021.1; 34 CFR 300.9)

1. Has been fully informed, in his/her native language or other mode of communication, of all information relevant to the activity for which consent is sought
2. Understands and agrees, in writing, to the carrying out of the activity for which his/her consent is sought and the consent describes that activity and lists the records (if any) that will be released and to whom
3. Understands that the granting of consent is voluntary on his/her part and may be revoked at any time
4. Understands that if he/she revokes consent, that revocation is not retroactive (i.e., it does not negate an action that has occurred after the consent was given and before the consent was revoked)

The district shall make reasonable efforts to obtain the informed consent of the parent/guardian for an initial evaluation or reevaluation of a student. The district shall maintain a record of its attempts to obtain consent, including: (Education Code 56321, 56341.5; 34 CFR 300.300, 300.322)

**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)

1. Detailed records of telephone calls made or attempted and the results of those calls
2. Copies of correspondence sent to the parent/guardian and any responses received
3. Detailed records of visits made to the parent/guardian's home or place of employment and the results of those visits

If a parent/guardian refuses to consent to the initial evaluation or fails to respond to a request to provide consent, the district may, but is not required to, pursue an evaluation by utilizing the procedural safeguards, including the mediation and due process procedures pursuant to 20 USC 1415 and 34 CFR 300.506-300.516. (Education Code 56321; 34 CFR 300.300)

For a student who is a ward of the state and not residing with his/her parent/guardian, the district may conduct an initial evaluation without obtaining informed consent if any of the following situations exists: (Education Code 56321.1; 20 USC 1414; 34 CFR 300.300)

1. Despite reasonable efforts to do so, the district cannot discover the whereabouts of the parent/guardian of the student.
2. The rights of the parent/guardian of the student have been terminated in accordance with California law.
3. The rights of the parent/guardian to make educational decisions have been subrogated by a judge in accordance with California law and consent for an initial evaluation has been given by an individual appointed by the judge to represent the student.

*(cf. 6159.3 - Appointment of Surrogate Parent for Special Education Students)*

The district need not obtain parent/guardian consent before reviewing existing data as part of an evaluation or administering a test or other evaluation that is administered to all students, unless consent is required from the parents/guardians of all students. (Education Code 56321; 34 CFR 300.300)

**Conduct of the Evaluation**

The district shall complete the determination as to whether the student is a student with a disability, conduct the initial evaluation to determine his/her educational needs, and develop an IEP within 60 days of receiving informed parent/guardian consent for the evaluation. (Education Code 56344; 34 CFR 300.300, 300.301)

The evaluation shall be conducted by qualified personnel who are competent to perform the assessment as determined by the district. (Education Code 56320, 56322)

**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)

The screening of a student by a teacher or specialist to determine appropriate instructional strategies for curriculum implementation shall not be considered to be an evaluation for eligibility for special education and related services. (34 CFR 300.302)

In conducting the evaluation, the district shall use a variety of assessment tools and strategies to gather relevant functional, developmental, and academic information about the student. The district shall also use any information provided by the parent/guardian that may assist the district in making the determination as to whether the student is a student with a disability and, if so, the necessary components of his/her IEP when the IEP is developed, including information related to enabling the student to be involved in and to progress in the general education curriculum. (34 CFR 300.304)

The district's evaluation shall not use any single measure or assessment as the sole criterion for determining whether a student is a student with a disability and for determining the appropriate educational program for the student. The assessment shall use technically sound instruments that may assess the relative contribution of cognitive and behavioral factors in addition to physical or developmental factors. (34 CFR 300.304)

The district shall also ensure that assessments and other evaluation materials provide relevant information that assists in determining the student's educational needs and are: (Education Code 56320; 34 CFR 300.304)

1. Selected and administered so as not to be discriminatory on a racial, cultural, or sexual basis
2. Provided and administered in the language and form most likely to yield accurate information on what the student knows and can do academically, developmentally, and functionally, unless it is clearly not feasible to so provide or administer
3. Used for the purposes for which the assessments or measures are valid and reliable
4. Administered by trained and knowledgeable personnel
5. Administered in accordance with any instructions provided by the producer of the assessments
6. Tailored to assess specific areas of educational need and not merely designed to provide a single general intelligence quotient
7. If administered to a student with impaired sensory, manual, or speaking skills, selected and administered to best ensure that the results accurately reflect the student's aptitude or achievement level or whatever other factors the test purports to measure

**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)

Students shall be assessed in all areas related to the suspected disability, including, if appropriate, health and development, vision (including low vision), hearing, motor abilities, language function, general intelligence, academic performance, communicative status, self-help, orientation and mobility skills, career and vocational abilities and interests, and social and emotional status. When appropriate, a developmental history shall be obtained. The district shall ensure that the evaluation is sufficiently comprehensive to identify all of the student's special education and related service needs, whether or not commonly linked to the disability category in which the student has been classified. (Education Code 56320; 34 CFR 300.304)

As part of the initial evaluation and any reevaluation, the IEP team and other qualified professionals shall, if appropriate, review existing evaluation data on the student, including evaluations and information provided by the parents/guardians, current classroom-based local or state assessments and classroom-based observations, and observations by teachers and related services providers. On the basis of that review and input from the student's parent/guardian, the team shall identify what additional data, if any, are needed to determine: (Education Code 56381; 34 CFR 300.305)

1. Whether the student is a student with a disability, or in the case of a reevaluation, whether the student continues to have a disability, and the educational needs of the student
2. The present levels of academic achievement and related developmental needs of the student
3. Whether the student needs, or continues to need, special education and related services
4. Whether any additions or modifications to the special education and related services are needed to enable the student to meet the measurable annual goals set out in his/her IEP and to participate, as appropriate, in the general education curriculum

If a student has transferred from another district in the same school year or leaves this district, the district shall coordinate with the student's prior or subsequent district as necessary and as expeditiously as possible to ensure prompt completion of full evaluations. (34 CFR 300.304)

**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)**Eligibility Determination**

Upon completion of the administration of assessments and other evaluation measures, a group of qualified professionals and the parent/guardian shall determine whether the student is a student with a disability and, if so, his/her educational needs. In interpreting the data, the group shall draw information from a variety of sources, including aptitude and achievement tests, parent/guardian input, and teacher recommendations, as well as information about the student's physical condition, social or cultural background, and adaptive behavior. The group shall ensure that the information obtained from these sources is documented and carefully considered. (34 CFR 300.306)

The personnel who evaluate the student shall prepare a written report of the results of each evaluation. The report shall include, but not be limited to, the following: (Education Code 56327)

1. Whether the student may need special education and related services
2. The basis for making the determination
3. The relevant behavior noted during the observation of the student in an appropriate setting
4. The relationship of that behavior to the student's academic and social functioning
5. The educationally relevant health, developmental, and medical findings, if any
6. For students with learning disabilities, whether there is such a discrepancy between achievement and ability that it cannot be corrected without special education and related services
7. A determination concerning the effects of environmental, cultural, or economic disadvantage, where appropriate
8. The need for specialized services, materials, and equipment for students with low incidence disabilities, consistent with Education Code 56136

When making a determination of eligibility for special education and related services, the district shall not determine that a student is disabled if the primary factor for such determination is a lack of appropriate instruction in reading, including the essential components of reading instruction pursuant to 20 USC 6368, lack of instruction in mathematics, limited English proficiency, or that the student does not otherwise meet the eligibility criteria. (Education Code 56329; 34 CFR 300.306)

## **IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)

If a determination is made that a student has a disability and needs special education and related services, an IEP shall be developed within a total time not to exceed 60 days, not counting days between the student's regular school sessions or terms or days of school vacation in excess of five school days, from the date of the receipt of the parent/guardian's consent for evaluation, unless the parent/guardian agrees, in writing, to an extension. (Education Code 56043; 34 CFR 300.306)

### **Independent Educational Evaluation**

The parents/guardians of a student with a disability have the right to obtain an IEE at public expense under the same criteria that the district uses for a district-initiated evaluation. An *independent educational evaluation* is an evaluation conducted by a qualified examiner who is not employed by the district. *Public expense* means the district either pays for the full cost of the IEE or ensures that the evaluation is otherwise provided at no cost to the parent/guardian. (Education Code 56329; 34 CFR 300.502)

The parent/guardian is entitled to only one IEE at public expense each time the district conducts an evaluation with which the parent/guardian disagrees. (Education Code 56329; 34 CFR 300.502)

If a parent/guardian has requested an IEE, the district may ask for the reason that he/she objects to the district's evaluation. However, the parent/guardian is not required to provide the reason to the district. (34 CFR 300.502)

Upon receiving the request for an IEE, the district shall, without unnecessary delay, either: (34 CFR 300.502)

1. File a due process complaint to request a hearing to show that its evaluation is appropriate
2. Ensure that an IEE is provided at public expense, unless the district can later demonstrate at a hearing that the evaluation obtained by the parent/guardian did not satisfy the district's criteria

If a due process hearing decision determines that the district's evaluation is appropriate, then the parent/guardian may obtain an IEE but not at public expense. (34 CFR 300.502)

In any decision made with respect to providing FAPE to a student with a disability, the result of any IEE obtained by the student's parent/guardian shall be considered by the district if it meets district criteria. Any such result also may be presented as evidence at a hearing on a due process complaint. (34 CFR 300.502)

**IDENTIFICATION AND EVALUATION OF INDIVIDUALS FOR SPECIAL EDUCATION** (continued)

**Reevaluation**

A reevaluation shall be conducted when the district determines that the educational or related service needs of the student, including improved academic achievement and functional performance, warrant a reevaluation or if the student's parent/guardian or teacher requests reevaluation. Such reevaluations shall occur every three years, unless the parent/guardian and district agree in writing that a reevaluation is unnecessary. A reevaluation may not occur more than once a year, unless the parent/guardian and the district agree otherwise. (Education Code 56043, 56381; 34 CFR 300.303)

The district shall ensure that any reevaluations of the student are conducted in accordance with the evaluation procedures pursuant to 34 CFR 300.304-300.311. (34 CFR 300.303)

Before entering kindergarten or first grade, children with disabilities who are in a preschool program shall be reevaluated to determine if they still need special education and services. IEP teams shall identify a means of monitoring the continued success of children who are determined to be eligible for less intensive special education programs to ensure that gains made are not lost by a rapid removal of individualized programs and supports for these children. (Education Code 56445)

*(cf. 5148.3 - Preschool/Early Childhood Education)*

**STUDENT SUCCESS TEAMS**

The Governing Board encourages the collaboration of parents/guardians, teachers, resource personnel, administrators and students in evaluating the strengths and needs of students having academic, attendance or behavioral difficulties and in identifying strategies and programs that may assist the students. The Superintendent or designee shall establish student success teams as needed to address individual students' needs.

*(cf. 5113.1 - Chronic Absence and Truancy)*  
*(cf. 5147 - Dropout Prevention)*  
*(cf. 5149 - At-Risk Students)*

The Superintendent or designee shall establish a process for initiating referrals of students to the student success team.

Each student success team shall develop intervention strategies to assist the student. Such strategies may include changes in program placement or instructional methods, recommendation of supplemental educational services, parent involvement strategies, behavioral interventions, discipline, referrals to other agencies or resources, and/or other appropriate interventions.

**IDENTIFICATION AND EDUCATION UNDER SECTION 504**

**Definitions**

*Free appropriate public education* (FAPE) under Section 504 of the Rehabilitation Act of 1973 means the provision of either regular or special education and related aids and services, designed to meet the student's individual educational needs as adequately as the needs of nondisabled students are met. (34 CFR 104.33)

*Eligibility* to receive FAPE under Section 504 means a student has a physical or mental impairment which substantially limits one or more major life activities. (34 CFR 104.33)

*Major life activities* means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working. (34 CFR 104.3)

*Physical or mental impairment* means any of the following: (34 CFR 104.3)

1. Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: neurological; musculoskeletal, special sense organs; respiratory, including speech organs; cardiovascular; reproductive, digestive, genito-urinary; hemic and lymphatic; skin; and endocrine
2. Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities

**Referral, Identification, and Evaluation**

1. Any student may be referred by a parent/guardian, teacher, other school employee, student success team, or community agency for consideration of eligibility as a disabled student under Section 504. This referral may be made to the principal or 504 Coordinator.

*(cf. 6164.5 - Student Success Teams)*

2. Upon receipt of a referral for eligibility, the principal or 504 Coordinator shall consider the referral and determine whether an evaluation is appropriate. This determination shall be based on a review of the student's school records, including academic and nonacademic areas of the school program; consultation with the student's teacher(s), other professionals, and the parent/guardian, as appropriate; and analysis of the student's needs.

If it is determined that an evaluation is unnecessary, the principal or 504 Coordinator shall inform the parents/guardians in writing of this decision and of the procedural safeguards, as described in the "Procedural Safeguards" section below.

**IDENTIFICATION AND EDUCATION UNDER SECTION 504** (continued)

3. If it is determined that a student needs or is believed to need special education or related services under Section 504, the district shall conduct an evaluation of the student prior to initial placement and before any significant change in placement. (34 CFR 104.35)

Prior to conducting an initial evaluation of a student for eligibility under Section 504, the district shall obtain written parent/guardian consent.

The district's evaluation procedures shall ensure that tests and other evaluation materials: (34 CFR 104.35)

- a. Have been validated and are administered by trained personnel in conformance with the instruction provided by the test publishers
- b. Are tailored to assess specific areas of educational need and are not based solely on a single IQ score
- c. Reflect aptitude or achievement or whatever else the tests purport to measure and do not reflect the student's impaired sensory, manual, or speaking skills unless the test is designed to measure these particular deficits

**Section 504 Services Plan and Placement**

1. A multi-disciplinary 504 team shall be convened to review the evaluation data in order to make placement decisions.

The 504 team shall consist of a group of persons knowledgeable about the student, the meaning of the evaluation data, and the placement options. (34 CFR 104.35)

In interpreting evaluation data and making placement decisions, the team shall draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background, and adaptive behavior. The team shall also ensure that information obtained from all such sources is documented and carefully considered and that the placement decision is made in conformity with 34 CFR 104.34. (34 CFR 104.35)

2. If, upon evaluation, a student is determined to be eligible for services under Section 504, the team shall meet to develop a written 504 services plan which shall specify the types of regular or special education services, accommodations, and supplementary aids and services necessary to ensure that the student receives FAPE.

The parents/guardians shall be invited to participate in the meeting and shall be given an opportunity to examine all relevant records.

**IDENTIFICATION AND EDUCATION UNDER SECTION 504** (continued)

*(cf. 5141.21 - Administering Medication and Monitoring Health Conditions)*

3. If the 504 team determines that no services are necessary for the student, the record of the team's meeting shall reflect whether or not the student has been identified as a disabled person under Section 504 and shall state the basis for the decision that no special services are presently needed. The student's parent/guardian shall be informed in writing of his/her rights and procedural safeguards, as described in the "Procedural Safeguards" section below.
4. The student shall be placed in the regular educational environment, unless the district can demonstrate that the education of the student in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. The student shall be educated with those who are not disabled to the maximum extent appropriate to his/her individual needs. (34 CFR 104.34)
5. The district shall complete the identification, evaluation, and placement process within a reasonable time frame.
6. A copy of the student's Section 504 services plan shall be kept in his/her student record. The student's teacher(s) and any other staff who provide services to the student shall be informed of the plan's requirements.

If a student transfers to another school within the district, the principal or designee at the school from which the student is transferring shall ensure that the principal or designee at the new school receives a copy of the plan prior to the student's enrollment in the new school.

*(cf. 5125 - Student Records)*

**Review and Reevaluation**

1. The 504 team shall monitor the progress of the student and the effectiveness of the student's Section 504 services plan to determine whether the services are appropriate and necessary and whether the student's needs are being met as adequately as the needs of nondisabled students. The team shall review the student's plan annually. In addition, the student's eligibility under Section 504 shall be reevaluated at least once every three years.
2. A reevaluation of the student's needs shall be conducted before any subsequent significant change in placement. (34 CFR 104.35)

The 504 Coordinator shall designate an appropriate administrator to meet with the parent/guardian to attempt to resolve the issue. This review shall be held within 14 days of receiving the parent/guardian's request.

2. If the parent/guardian chooses not to request an administrative review or if the review does not resolve the issue, the parent/guardian may request in writing a Section 504 due process hearing. The parent/guardian's request for a hearing shall be made within 30 days of receiving the district's decision or within 14 days of completion of the administrative review. The request shall include:

*(cf. 5149 - At-Risk Students)*  
*(cf. 6011 - Academic Standards)*  
*(cf. 6162.5 - Student Assessment)*  
*(cf. 6162.51 - Standardized Testing and Reporting Program)*  
*(cf. 6162.52 - High School Exit Examination)*

The Superintendent or designee shall provide technical assistance and support to any school participating in the Title I program, including consultation in the development and implementation of school plans and activities. (20 USC 6312)

The plan and any revisions shall be submitted to the Governing Board for approval. (20 USC 6312)

The plan shall address the components specified in 20 USC 6312, which describe the assessments, strategies, and services the district will use to help low-achieving students meet challenging academic standards.

The initial plan shall be submitted to the California Department of Education (CDE) and approved by the State Board of Education. Subsequent revisions of the plan shall be kept on file in the district.

**Comparability of Services**

State and local funds used in schools receiving Title I funds shall provide services that, taken as a whole, are at least comparable to services in schools that are not receiving Title I funds or, if all district schools are receiving Title I funds, that are substantially comparable in each school. Comparability may be determined on a school-by-school basis or by grade span. (20 USC 6321)

3. Salary expenditures at each Title I school shall be no less than 90 percent of the average salary expenditure across non-Title I schools.
4. All district schools shall be provided with the same level of base funding per student for curriculum and instructional materials.
5. The Superintendent or designee shall maintain records of the quantity and quality of instructional materials and equipment at each school.

*(cf. 6161.1 - Selection and Evaluation of Instructional Materials)*

In determining comparability, the district shall not include staff salary differentials for years of employment. The district also may exclude unpredictable changes in student enrollment or personnel assignments that occur after the beginning of the school year, state and local funds expended for language instruction educational programs, state and local funds expended for the excess costs of providing services to disabled students, and supplemental state or local funds expended in any school attendance area or school for programs that specifically meet the intent and purposes of Title I. (20 USC 6321)

At the beginning of each school year, the Superintendent or designee shall measure comparability in accordance with the above criteria and maintain records documenting the district's compliance. If any instances of noncomparability are identified, the Superintendent or designee shall promptly implement adjustments as needed to ensure comparability.

**Program Evaluation**

The Board shall use state assessment results and other available measures or indicators to annually determine whether each participating school is making adequate yearly progress toward ensuring that all students meet the state's proficient level of achievement on state assessments. (20 USC 6316)

6. Opinions of professional persons

*(cf. 5121 - Grades/Evaluation of Student Achievement)*

*(cf. 6162.5 - Student Assessment)*

*(cf. 6164.2 - Guidance/Counseling Services)*

Final determination of a student's eligibility shall be made by the Superintendent or designee. (5 CCR 3824)

The Superintendent or designee shall base his/her decision upon the evaluation of pertinent evidence by the principal or designee, a classroom teacher familiar with the student's work, and, when appropriate, a credentialed school psychologist. An individual recognized as an expert in the gifted and talented category under consideration, and/or an individual who has in-depth understanding of the student's linguistic or cultural group, shall participate in the evaluation of the evidence unless there is no doubt as to the student's eligibility. These persons may review screening, identification, and placement data in serial order and shall be required to meet only as necessary to resolve any differences in assessment and recommendations. (5 CCR 3824)

In reviewing evidence of a student's abilities, the Superintendent or designee also shall consider the economic, linguistic, and cultural characteristics of the student's background and, when appropriate, studies of the factors contributing to the student's underachievement, including handicapping or disadvantaged conditions. (5 CCR 3823)

*(cf. 0410 - Nondiscrimination in District Programs and Activities)*

*(cf. 6174 - Education for English Language Learners)*

Prior to a student's participation in the program, the Superintendent or designee shall obtain written consent from the student's parent/guardian. (5 CCR 3831)

The Superintendent or designee shall consider identifying for the district's GATE program any student who has transferred from another district in which he/she was identified as a GATE student. (Education Code 52202; 5 CCR 3831)

**GIFTED AND TALENTED STUDENT PROGRAM** (continued)

Because students who do not initially meet district criteria for the GATE program may become eligible at a later grade level, the district may re-examine student eligibility whenever the district receives a referral through the process noted above or the Superintendent or designee determines it to be in the student's best interest.

Once identified as a GATE student, a student shall remain eligible even though services provided to the student may change.

**EDUCATION FOR HOMELESS CHILDREN**

The Governing Board desires to ensure that homeless students have access to the same free and appropriate public education provided to other students within the district. The district shall provide homeless students with access to education and other services necessary for these students to meet the same challenging academic standards as other students.

Homeless students shall not be segregated into a separate school or program based on their status as homeless and shall not be stigmatized in any way.

*(cf. 3553 - Free and Reduced Price Meals)*

The Superintendent or designee shall ensure that placement decisions for homeless students are based on the student's best interest as defined in law and administrative regulation.

*(cf. 5111.13 - Residency for Homeless Children)*

**Transportation**

The district shall provide transportation for a homeless student to and from his/her school of origin when the student is residing within the district and the parent/guardian requests that such transportation be provided. If the student moves outside of district boundaries, but continues to attend his/her school of origin within this district, the Superintendent or designee shall consult with the superintendent of the district in which the student is now residing to agree upon a method to apportion the responsibility and costs of the transportation. **Identification and Assessment**

Upon enrollment, each student's primary language shall be determined through use of a home language survey. (5 CCR 11307)

Within 30 calendar days of their initial enrollment, students who are identified as having a primary language other than English, as determined by the home language survey, and for whom there is no record of results from an English language development test shall be assessed using the California English Language Development Test (CELDT). (5 CCR 11511)

All students shall have sufficient time to complete the CELDT as provided in the directions for test administration. (5 CCR 11516)

Any student with a disability shall take the CELDT with those accommodations for testing that the student has regularly used during instruction and classroom assessment as delineated in the student's individualized education program (IEP) or Section 504 plan that are appropriate and necessary to address the student's individual needs. (5 CCR 11516.5)

(cf. 6159 - Individualized Education Program)

(cf. 6164.6 - Identification and Education Under Section 504)

**EDUCATION FOR ENGLISH LANGUAGE LEARNERS** (continued)

The district shall notify parents/guardians of their child's results on the CELDT within 30 calendar days. (5 CCR 11511.5)

*(cf. 5145.6 - Parental Notifications)*

Within 90 days of initial enrollment, students identified as having limited English proficiency shall be further assessed for primary language proficiency in comprehension, speaking, reading and writing. The Superintendent or designee shall develop criteria for determining student needs on the basis of these assessments. (former Education Code 52164.1, 62002)

Before students are enrolled in a program for English language learners, parents/guardians shall receive information about the program and their opportunities for parental involvement. This information shall include the fact that an individual student's participation in the program is voluntary on the part of the parent/guardian. (Education Code 52173)

Not later than 30 calendar days after the beginning of the school year, each parent/guardian of a student participating in, or identified for participation in, a language instruction program supported by federal Title III funds shall receive notification of the assessment of his/her child's English proficiency. The notice shall include all of the following: (Education Code 440; 20 USC 6312)

1. The reason for the student's classification as English language learner
2. The level of English proficiency
3. A description of the program for English language development instruction, including a description of all of the following:
  - a. The manner in which the program will meet the educational strengths and needs of the student
  - b. The manner in which the program will help the student develop his/her English proficiency and meet age-appropriate academic standards
  - c. The specific exit requirements for the program, the expected rate of transition from the program into classrooms not tailored for English language learner students, and the expected rate of graduation from secondary school if Title I funds are used for students in secondary schools
  - d. Where the student has been identified for special education, the manner in which the program meets the requirements of the student's IEP

**EDUCATION FOR ENGLISH LANGUAGE LEARNERS** (continued)

4. Information regarding a parent/guardian's option to decline to allow the student to become enrolled in the program or to choose to allow the student to become enrolled in an alternative program
5. Information designed to assist a parent/guardian in selecting among available programs, if more than one program is offered

Parent/guardians also shall be notified of the results of any reassessments. (Education Code 52164.3)

**Parental Exception Waivers**

At the beginning of each school year, parents/guardians shall be informed of the placement of their children in a structured English immersion program and shall be notified of an opportunity to apply for a parental exception waiver. (Education Code 310; 5 CCR 11309)

A parent/guardian may request that the district waive the requirements of Education Code 305, pertaining to the placement of a student in a structured English immersion program if the one of the following circumstances exists:

1. Students who already know English: The student already possesses good English language skills, as measured by standardized tests of English vocabulary comprehension, reading and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower. (Education Code 311(a))
2. Older students: The student is age 10 years or older, and it is the informed belief of the school principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills. (Education Code 311(b))
3. Students with special needs: The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the school principal and educational staff that the student has special physical, emotional, psychological or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311(c))

The parent/guardian shall personally visit the school to apply for the waiver. (Education Code 310)

**EDUCATION FOR ENGLISH LANGUAGE LEARNERS** (continued)

Upon request for a waiver, the Superintendent or designee shall provide to the parents/guardians: (Education Code 310, 311; 5 CCR 11309)

1. A full written description, and a spoken description upon request, of the intent and content of the structured English immersion program, any alternative courses of study and all educational opportunities offered by the district and available to the student, and the educational materials to be used in the different educational program choices
2. For a request for waiver pursuant to Education Code 311(c) for students with special needs, notification that the student must be placed for a period of not less than 30 calendar days in an English language classroom and that the Superintendent must approve the waiver pursuant to Governing Board guidelines

Pursuant to Education Code 311(b) and 311(c), the principal and educational staff may recommend a waiver to a parent/guardian for a student 10 years or older and a student with special needs. Parents/guardians shall be informed in writing of any recommendation for an alternative program made by the principal and staff and shall be given notice of their right to refuse to accept the recommendation. The notice shall include a full description of the recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the principal and educational staff, the parent/guardian shall comply with district procedures and requirements otherwise applicable to a parental exception waiver, including Education Code 310. (5 CCR 11309)

When evaluating waiver requests pursuant to Education Code 311(a) for students who already know English and other waiver requests for those students for whom standardized assessment data are not available, other equivalent assessment measures may be used. These equivalent measures may include local assessments, local standards and teacher evaluations.

Parental exception waivers pursuant to Education Code 311(b) for students 10 years or older shall be granted if it is the informed belief of the principal and educational staff that an alternate course of educational study would be better suited to the student's rapid acquisition of basic English language skills. (Education Code 311)

Parental exception waivers pursuant to Education Code 311(c) for students with special needs shall be granted if it is the informed belief of the principal and educational staff that, due to the student's special physical, emotional, psychological or educational needs, an alternate course of educational study would be better suited to the student's overall educational development. (Education Code 311)

**EDUCATION FOR ENGLISH LANGUAGE LEARNERS** (continued)

The principal shall consider all waiver requests made pursuant to Education Code 311(c) for students with special needs and shall submit a rationale of the decision regarding the waiver to the Superintendent or designee. When determining whether or not to recommend the approval of the waiver request, the principal shall assume that the facts justifying the request attested by the parent/guardian are a true representation of the child's condition.

Each waiver shall be considered on its individual merits with great deference given to parental preference for student placement.

The principal or designee shall act upon all parental exception waivers within 20 instructional days of submission to the principal. However, parental waiver requests pursuant to Education Code 311(c) for students with special needs shall not be acted upon during the 30-day placement in an English language classroom. These waivers shall be acted upon no later than 10 calendar days after the expiration of that 30-day English language classroom placement or within 20 instructional days of submission of the waiver to the principal, whichever is later. (5 CCR 11309)

All parental exception waivers shall be granted unless the principal and educational staff have determined that an alternative program offered at the school would not be better suited for the overall educational development of the student. (5 CCR 11309)

Individual schools in which 20 students or more of a given grade level receive a waiver shall be required to offer such a class; otherwise they must allow the students to transfer to a public school in which such a class is offered. (Education Code 310)

Students wishing to transfer shall be subject to the district's intradistrict and interdistrict attendance policies and administrative regulations. Students wishing to transfer to another district shall also be subject to the receiving district's interdistrict attendance policies and administrative regulations.

*(cf. 5116.1 - Intradistrict Open Enrollment)*

*(cf. 5117 - Interdistrict Attendance)*

In cases where a parental exception waiver pursuant to Education Code 311(b) or (c) is denied, the parent/guardian shall be informed in writing of the reason(s) for the denial and advised that he/she may appeal the decision to the Board if the Board authorizes such an appeal, or to the court. (5 CCR 11309)

Waiver requests shall be renewed annually by the parent/guardian. (Education Code 310)

## **EDUCATION FOR ENGLISH LANGUAGE LEARNERS** (continued)

### **Reclassification/Redesignation**

The district shall continue to provide additional and appropriate educational services to English language learners for the purposes of overcoming language barriers until the English language learners have: (5 CCR 11302)

1. Demonstrated English language proficiency comparable to that of the district's average native English language speakers
2. Recouped any academic deficits which may have been incurred in other areas of the core curriculum as a result of language barriers

English language learners shall be redesignated as fluent English proficient when they are able to comprehend, speak, read and write English well enough to receive instruction in the regular program and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code 52164.6)

The following measures shall be used to determine whether an English language learner shall be reclassified as fluent English proficient: (5 CCR 11303)

1. Assessment of English language proficiency utilizing the CELDT as the primary criterion, and objective assessment of the student's English reading and writing skills
2. Participation of the student's classroom teacher and any other certificated staff with direct responsibility for teaching or placement decisions
3. Parent/guardian opinion and consultation during a redesignation interview

Parents/guardians shall receive notice and a description of the redesignation process, including notice of their right to participate in the process. Parent/guardian participation in the process shall be encouraged.

4. Comparison of performance in basic skills, including performance on the English-Language Arts section of the California Standards Test
5. Objective data on the student's academic performance in English

The Superintendent or designee shall provide subsequent monitoring and support for redesignated students, including but not limited to monitoring the performance of redesignated students in the core curriculum in comparison with their native-English speaking peers, monitoring the rate of redesignation, and ensuring correct classification and placement.

**EDUCATION FOR ENGLISH LANGUAGE LEARNERS** (continued)

The Superintendent or designee shall develop a process to monitor the effectiveness of the district's program for English language learners. The district's program shall be modified as needed to help ensure language and academic success for each English language learner.

**Advisory Committees**

At the district level when there are more than 50 English language learners in the district and at each school with more than 20 English language learners, parent/guardian advisory committees shall be maintained to serve the advisory functions specified in law. (5 CCR 11308)

Parents/guardians of English language learners shall constitute committee membership in at least the same percentage as their children represent of the total number of students in the school. (Education Code 52176)

The district's English language advisory committee shall advise the Board on at least the following tasks: (5 CCR 11308)

1. The development of a district master plan of education programs and services for English learners, taking into consideration the school site plans for English learners
2. The districtwide needs assessment on a school-by-school basis
3. Establishment of a district program, goals and objectives for programs and services for English learners
4. Development of a plan to ensure compliance with applicable teacher or aide requirements
5. Administration of the annual language census
6. Review of and comment on the district's reclassification procedures
7. Review of and comments on the written notification required to be sent to parents/guardians pursuant to 5 CCR 11300-11316

*(cf. 0420 - School Plans/Site Councils)*

*(cf. 1220 - Citizen Advisory Committees)*

*(cf. 5020 - Parent Rights and Responsibilities)*

*(cf. 6020 - Parent Involvement)*

**EDUCATION FOR ENGLISH LANGUAGE LEARNERS** (continued)

In order to assist advisory members in carrying out their responsibilities, the Superintendent or designee shall ensure that committee members receive appropriate training and materials. This training shall be planned in full consultation with the members. (5 CCR 11308)

The course curriculum shall be aligned with district-adopted standards and the state's curriculum framework.

*(cf. 6011 - Academic Standards)*

*(cf. 6141 - Curriculum Development and Evaluation)*

(20 USC 2302, 2354, 2373)

## **CAREER TECHNICAL EDUCATION (continued)**

The above notification shall be disseminated in languages other than English as needed and shall state that the district will take steps to ensure that the lack of English language skills will not be a barrier to admission and participation in the district's CTE program. (20 USC 2354)

**CAREER TECHNICAL EDUCATION** (continued)

The Superintendent or designee shall systematically review the district's CTE classes to determine the degree to which each class may offer an alternative means for completing and receiving credit for specific portions of the course of study prescribed by the district for high school graduation. (Education Code 37252.8)

*(cf. 6011 - Academic Standards)*

**HOME AND HOSPITAL INSTRUCTION**

A student with a temporary disability which makes school attendance impossible or inadvisable shall receive individual instruction in the student's home or in a hospital or other residential health facility, excluding state hospitals. This instruction applies to students incurring a physical, mental or emotional disability after which they can reasonably be expected to return to regular day classes or an alternative education program without special intervention. It does not apply to students identified as individuals with exceptional needs pursuant to Education Code 56026. (Education Code 48206.3)

*(cf. 6158 - Independent Study)*

The Superintendent or designee may require verification through any reasonable means that the student requires home instruction. In addition, this verification shall also state that the disabling condition will not expose the teacher to a contagious disease that can be transmitted through casual contact. Home or hospital instruction shall not be denied to students with Hepatitis B, herpes or HIV/AIDS, as long as the home or hospital practices current preventive protocol as determined by the U.S. Centers for Disease Control.

*(cf. 4119.42/4219.42/4319.42 - Exposure Control Plan for Bloodborne Pathogens)*

Instruction shall begin no later than five working days after the Superintendent or designee has determined that the student is able to receive individualized instruction.
2. Within five working days of the beginning of the individualized instruction, the Superintendent or designee shall provide written notification to the district in which the student was previously enrolled stating that the student shall not be counted by that district for purposes of computing average daily attendance, effective the date on which individualized instruction began.

Alternatively, the Superintendent or designee may enter into an agreement with the district in which the student was previously enrolled to have that district provide the individualized instruction. (Education Code 48208)

**Parental Notifications**

At the beginning of the school year, the Superintendent or designee shall notify parents/guardians that: (Education Code 48208, 48980)

**Cautionary Notice:** As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009), ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), and SB 70 (Ch. 7, Statutes of 2011), Education Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Yreka Union School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2014-15 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent or designee.

The Governing Board recognizes the need to provide an appropriate alternative educational program for expelled students who are prohibited from attending regular schools in the district and for certain students referred by probation or district processes. The district shall operate one or more community day schools designed to meet the needs of these students. The Superintendent or designee shall ensure that any such school is operated in accordance with legal requirements related to enrollment, instructional time and facilities.

The Board perceives the community day school as a flexible component of a comprehensive effort to meet the needs of expelled and other at-risk students throughout the county. The Superintendent or designee shall solicit input from the County Superintendent of Schools and neighboring districts when designing the district community day school and shall collaborate with them in fulfilling countywide needs.

In order to foster positive attitudes and academic progress, the Board recognizes that community day schools must give students substantial individual help with their problems. Community day school staff shall collaborate with district counselors, psychologists, and other support staff and with the county office of education, law enforcement, probation, and human services agency staff who work with at-risk youth. To the extent possible, community day school programs shall provide a low student-teacher ratio as well as individualized instruction and assessment.

*(cf. 1020 - Youth Services)*  
*(cf. 5149 - At-Risk Students)*  
*(cf. 6164.2 - Guidance/Counseling Services)*

The Superintendent or designee shall establish procedures for the involuntary transfer of students to a community day school in accordance with law and administrative regulation.

*(cf. 5113 - Absences and Excuses)*  
*(cf. 5144.1 - Suspension and Expulsion/Due Process)*

The Superintendent or designee may require community day school students to attend school for up to seven days each week in a directed program designed to provide students with the skills and attitudes necessary for success when they are returned to a regular school environment.

**Involuntary Transfer**

A student may be assigned to a community day school only upon meeting one or more of the following conditions: (Education Code 48662)

1. The student is expelled for any reason.

*(cf. 5144.1 - Suspension and Expulsion/Due Process)*

2. The student is probation-referred pursuant to Welfare and Institutions Code 300 and/or 602.
3. The student is referred by a school attendance review board (SARB) or other district-level referral process.

The first priority for assignment to a community day school shall be given to students expelled pursuant to Education Code 48915(d). Second priority shall be given to students expelled for other reasons, and third priority shall be given to students referred according to item #2 or #3 above. These priorities are applicable unless the district has an agreement that the County Superintendent of Schools shall serve any of the above students. (Education Code 48662)

In the case of any student who has been identified as eligible for services under the federal Individuals with Disabilities Education Act or Section 504 of the federal Rehabilitation Act of 1973, assignment to a community day school shall be first approved by the student's Individualized Education Program (IEP) team or school site committee (e.g., student study team) as required by law.

**COMMUNITY DAY SCHOOL** (continued)

At least 10 calendar days prior to the involuntary transfer of a student as a result of a district-level referral process, the Superintendent or designee shall provide written notice of the transfer to the student's parent/guardian or to the adult student age 18 or older. The notice shall contain a statement of the facts and circumstances upon which the transfer is based, its duration, and the conditions for readmission. The notice shall advise the student's parent/guardian or adult student of the opportunity to inspect and obtain copies of all documents supporting the transfer. In addition, the notice shall also state that the parent/guardian or adult student has five school days to request a meeting with the Superintendent or designee to discuss the transfer.

If the Superintendent designates an individual to represent the district at the meeting, the individual so designated shall not be a member of the staff of the school at which the student is currently enrolled.

At the meeting, the reason for the transfer shall be reviewed with the parent/guardian or adult student and the parent/guardian or adult student may present evidence on the student's behalf.

The Superintendent or designee shall send the parent/guardian or adult student written notice of the decision to transfer or not transfer within three school days of the meeting.

If the parent/guardian or adult student desires to appeal the Superintendent's decision to the Board, he/she shall file written notice of the intent to appeal within five school days of receiving the decision. The Board shall determine whether or not to hear the appeal within 15 calendar days. If the Board desires to hear the appeal, the Board shall decide the appeal within 30 calendar days of receipt of the notice of the appeal. The Board's decision shall be final.

**Instruction**

Academic programs offered in the community day school shall be comparable to those available to students of a similar age in the school district. (Education Code 48663)

The minimum school day for community day school students shall be 360 minutes of classroom instruction provided by a certificated employee of the district reporting attendance for apportionment purposes. Independent study shall not be used as a means of providing any part of this minimum day. (Education Code 48663)

3. Upon certifying to the State Allocation Board that all reasonable efforts have been made to use facilities that conform with the Field Act requirements of item #1 above, enter into lease agreements for facilities for which a structural engineer has submitted a report stating that substantial structural hazards do not exist.

Every three years, the Superintendent or designee shall report to the State Allocation Board on the facilities used for the district's community day programs and efforts to place these programs in facilities that conform with the requirements of item #1 above. (Education Code 17292.5)

**Location of the School Site**

A district desiring to operate a community day school to serve any of grades K-6, but no higher grades, may situate the community day school on the same site as an elementary, middle, junior high, comprehensive senior high, opportunity or continuation school when the Board certifies by a two-thirds vote that no satisfactory alternative facilities are available for a community day school in those grades. (Education Code 48661)

A district organized to serve grades K-8, but no higher grades, may situate a community day school on the same site as an elementary, middle, junior high, comprehensive senior high, opportunity or continuation school when the Board certifies by a two-thirds vote that no satisfactory alternative facilities are available for a community day school in those grades.
