

Yreka Miners Football

Head Coach: Brian Wagy

Freshman Football

We want to invite any and all freshman to join the Miner Football Program. We are looking to expand our program to include a freshman team this year. If we can get enough interest at both the 9th and 10th grade levels we can do this. If we don't, we will build a strong JV team (9th/10th) that will compete hard and develop the skills to be ready for the varsity level in the future.

Meeting: Please make time to attend if interested in playing this fall.

- Date: Thursday June 17th
- Time: 5:30
- Location: YHS Big Gym
- Topics: Start Dates, Physicals, Impact Testing, Program expectations and more.

With all the CIF California HS rules regarding number of days you have to practice before you can participate in a contest it is very important that you are aware of start dates so you are eligible to play the first game.

New Physical packets requirements:

- We are asking all parent/guardian and students to create an account on www.athleticclearance.com and complete our sports packet there.
- The only paper you will need to turn in is the actual physical from your doctor.

Thank you
